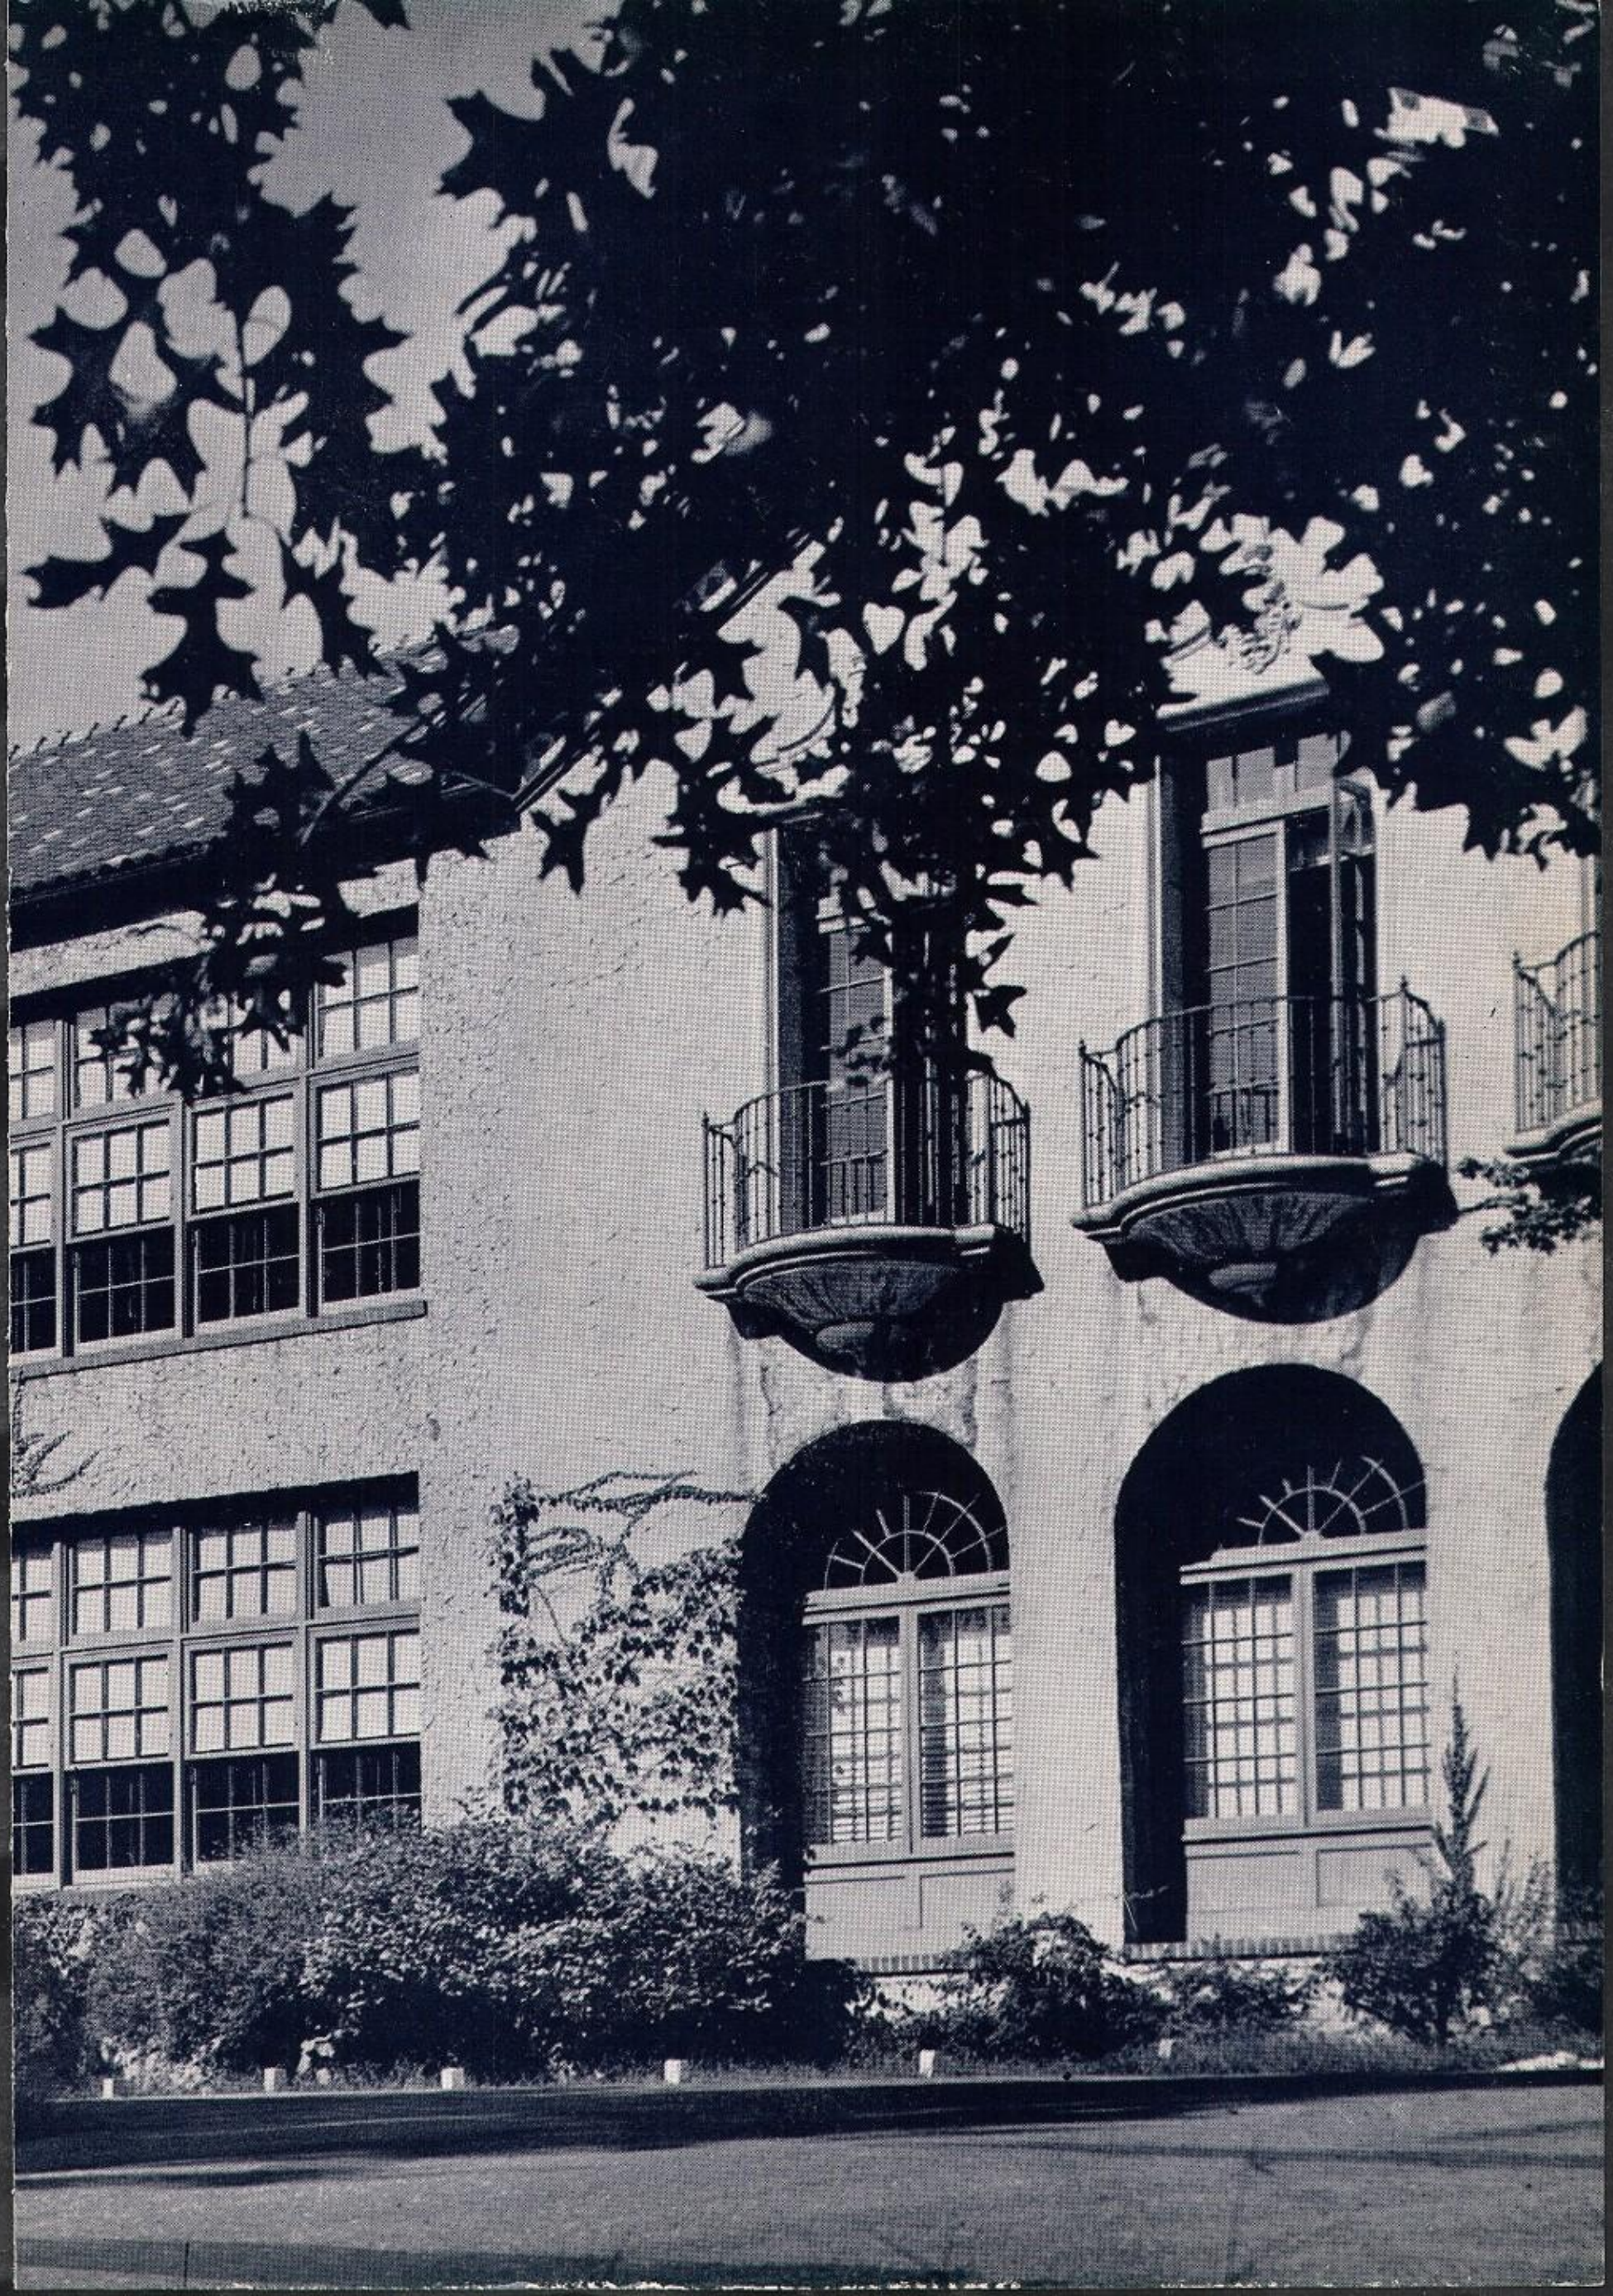
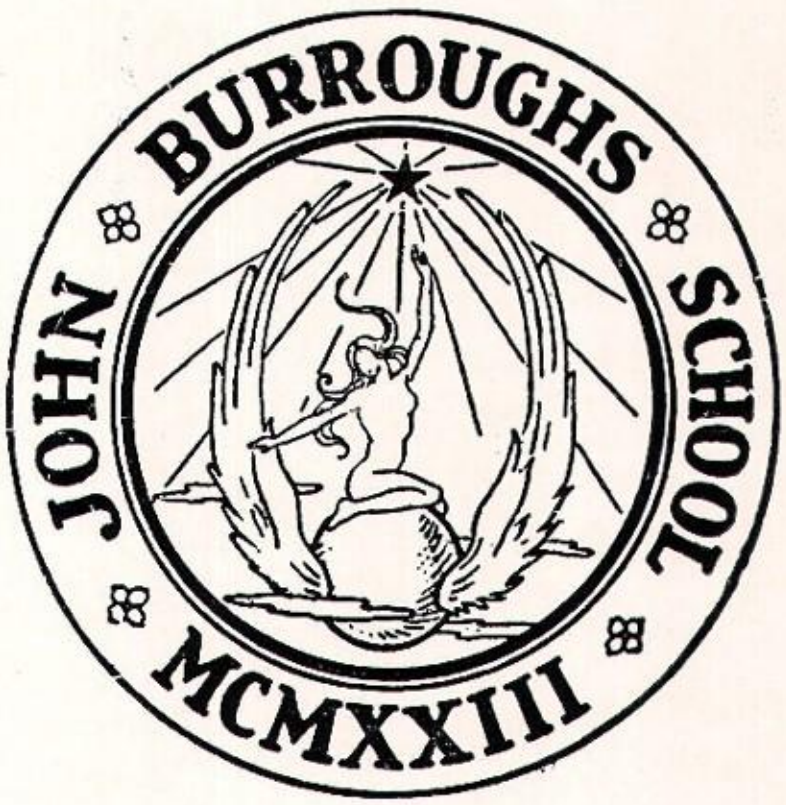
Yearbook

1957





The 1957 Yearbook

Published in May, 1957

By the Students of

JOHN BURROUGHS SCHOOL

755 South Price Road

Clayton 24, Missouri

Volume XXII

The 1957 Yearbook

. . . . . is dedicated to "the tradition of scholarship that is born of a student's respect for academic achievement and his awakened desire for information, not just the worship of a letter grade—the tradition for appreciation of the arts, sculpturing, painting, music, and drama —the tradition for leadership in educational curricula methods developed by a dedicated faculty—the tradition for sportsmanship and a keen competitive spirit in its athletic contests . . ." which are the heritage of John Burroughs.

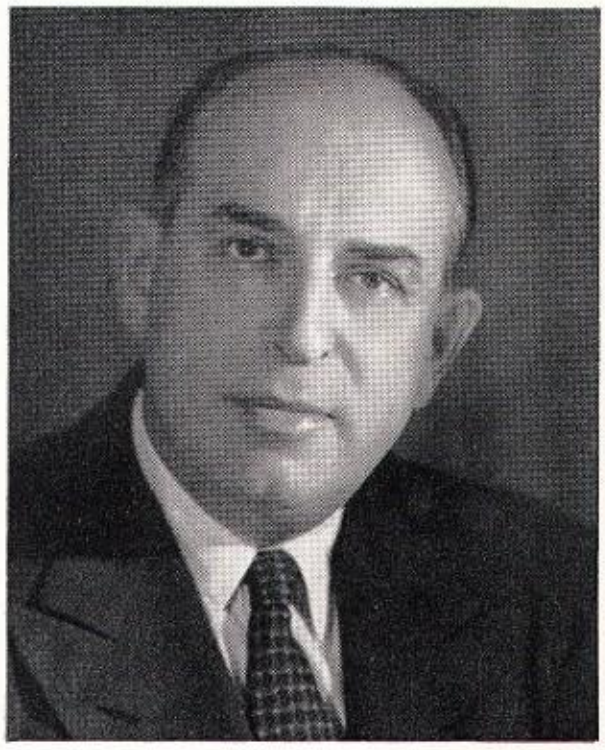
Administration

DR. LEONARD D. HAERTTER
Director

To the Class of 1957

"The world will little note, nor long remember" what I say here, but it will not quickly forget the splendid class of 1957. I think no class has more truly reflected the spirit and the purpose of the John Burroughs School. I speak for many when I say that we are proud of you and that we are confident that you will carry with you wherever you go the same proud standards you erected here.

Sincerely,
L. D. Haertter



MR. JOHN E. DUBE
President, Board of Trustees

Tradition of Participation

September 14, 1951, a momentous date for sixty frightened and bewildered seventh graders who were entering the illustrious Burroughs halls for the first time. Coached and comforted by our "big brothers" and "big sisters", and our advisors, Miss Stafford and Mr. Ophoven, we struggled through our first weeks of school. The girls began the year with the traditional adoption of a foster child, Nellie Berkins, who came to be better known by the boys as Nellie "Beercans." Advisory discussions brought up such provocative topics as proper social decorum and class party curfews, and after much debate the class settled upon the wicked deadline of 10 o'clock. Our very first class party was held at Colleen's home as a victory celebration after the Codasco football game. Our remaining dances were supervised by dancing instructor "Pop Paine", but despite his noble efforts the boys showed a negligible interest in the opposite section of the class—much to the girls' dismay.

Caroline, Jeanie L., Susan, Gary, John L., John Patton, and Tom R. were the proud book boys and girls at the Christmas Pageant, and when the curtain was

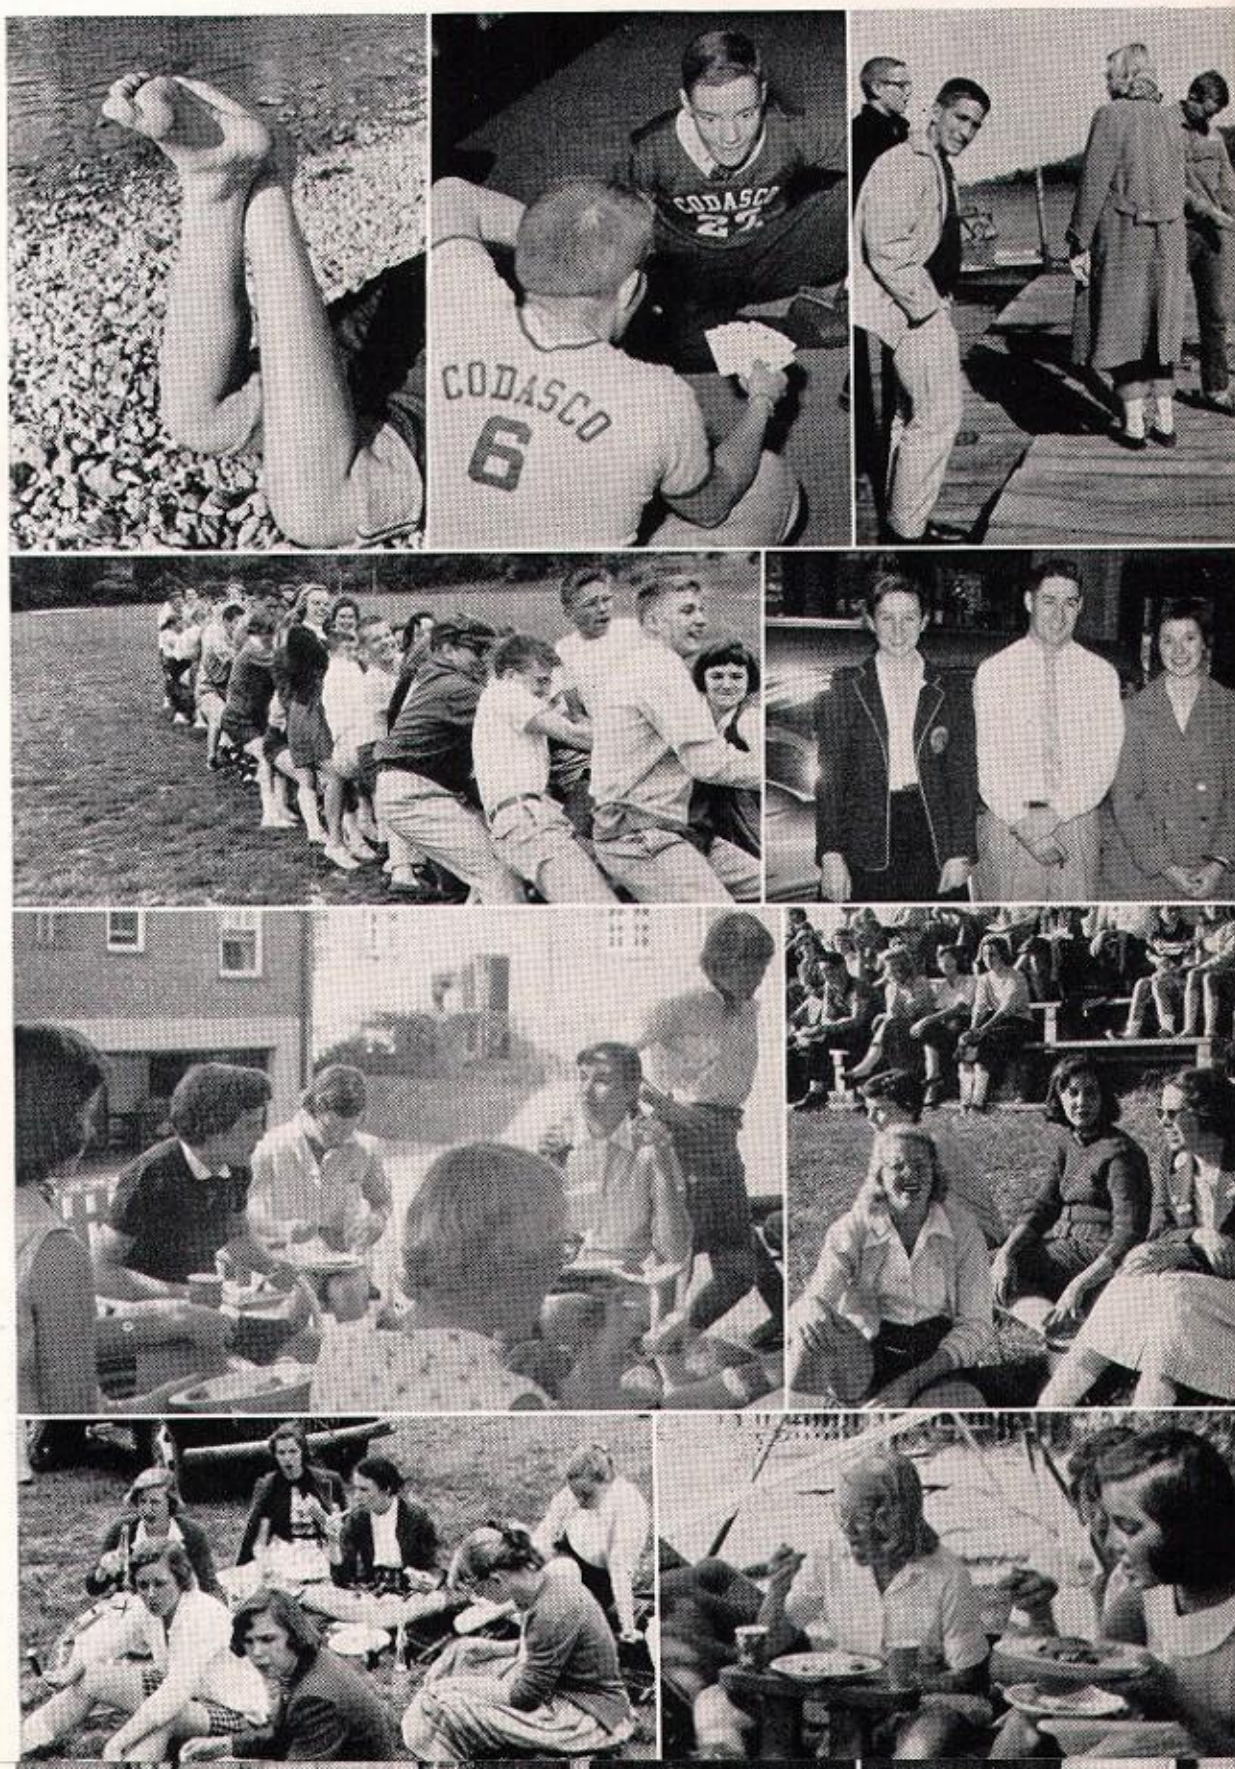
FIFTH ROW: Bean, Ettman, Pollock, Grigg, Oberbeck, Woods, Neuhoff, Kieffer, Thomas, Lane, Dube.

Eleventh Grade

The Junior class has had a great year. Although we had to work hard on schoolwork, we managed to save both time and energy for some marvelous class parties. Most of our thoughts throughout the year were directed toward financing the Junior Prom. By selling food at Burroughs games, and by using innumerable other money raising devices, we managed to meet our costs with some money left over. "Prom week" was the best part of the year, and naturally, we gave the Seniors the "greatest Prom yet". We're looking forward to being Seniors; we only hope that next year will have as many memories for us as this one has.



FRONT ROW: Latzer, Mara, Herrick, Rench, Marbury, Howell, Watson, Hanks, Kercher, Ward, Putzell, Clark.

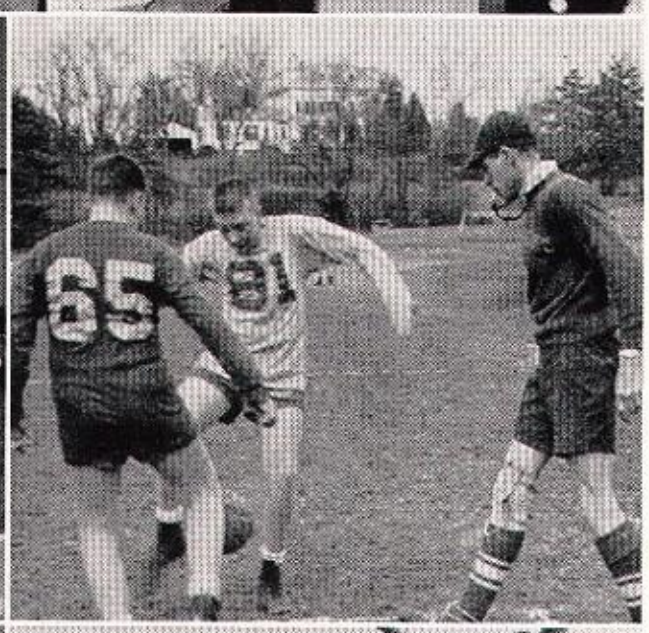
FIFTH ROW: Schoening, Hardy, Powers, Luedde, Thomas, Black, Kerchoff, Riley, Frielingsdorf.



Eighth Grade

The eighth graders, besides taking painting, sculpture, home economics, industrial arts, or junior chorus, braved Latin or French for the first time this year. The girls gave several very successful bake sales to continue the support of their foster child. Our class parties, when finally arranged, were huge successes, and frequent parties given by individuals added greatly to our social life. Sports-wise, the boys managed to place three players on the "C" football team and showed considerable talent in other sports. The girls worked hard at hockey and are looking forward to next year's games with other schools. We all attended JBS sports events and gave our teams a lot of loyal support.

FRONT ROW: Stern, Harvey, Stern, Wallace, MacCarthy, Browne, Frederickson, Steiner, Petelik, Dutson, Koenig.
SECOND ROW: Dube, Schmidt, Lischer, Oberbeck, Sprague, Stamper, Buettner, Sale, Garroway, Hirsch, Marshall, Graham, Harris.

FOURTH ROW: Oliver, Clark, McConnell, Lashly, Seddon, W. Horner, Croft, Wick, Hartman, Newman.
FIFTH ROW: Biggs, K. Mill, M. Pitzman, Woods, Toney, Levy, Heitner, Dyer, J. Wehmiller, S. Lane.
SIXTH ROW: Spencer, Fordyce, Macoy, Massie, Vogt, Rogers, McDowell.

Seventh Grade

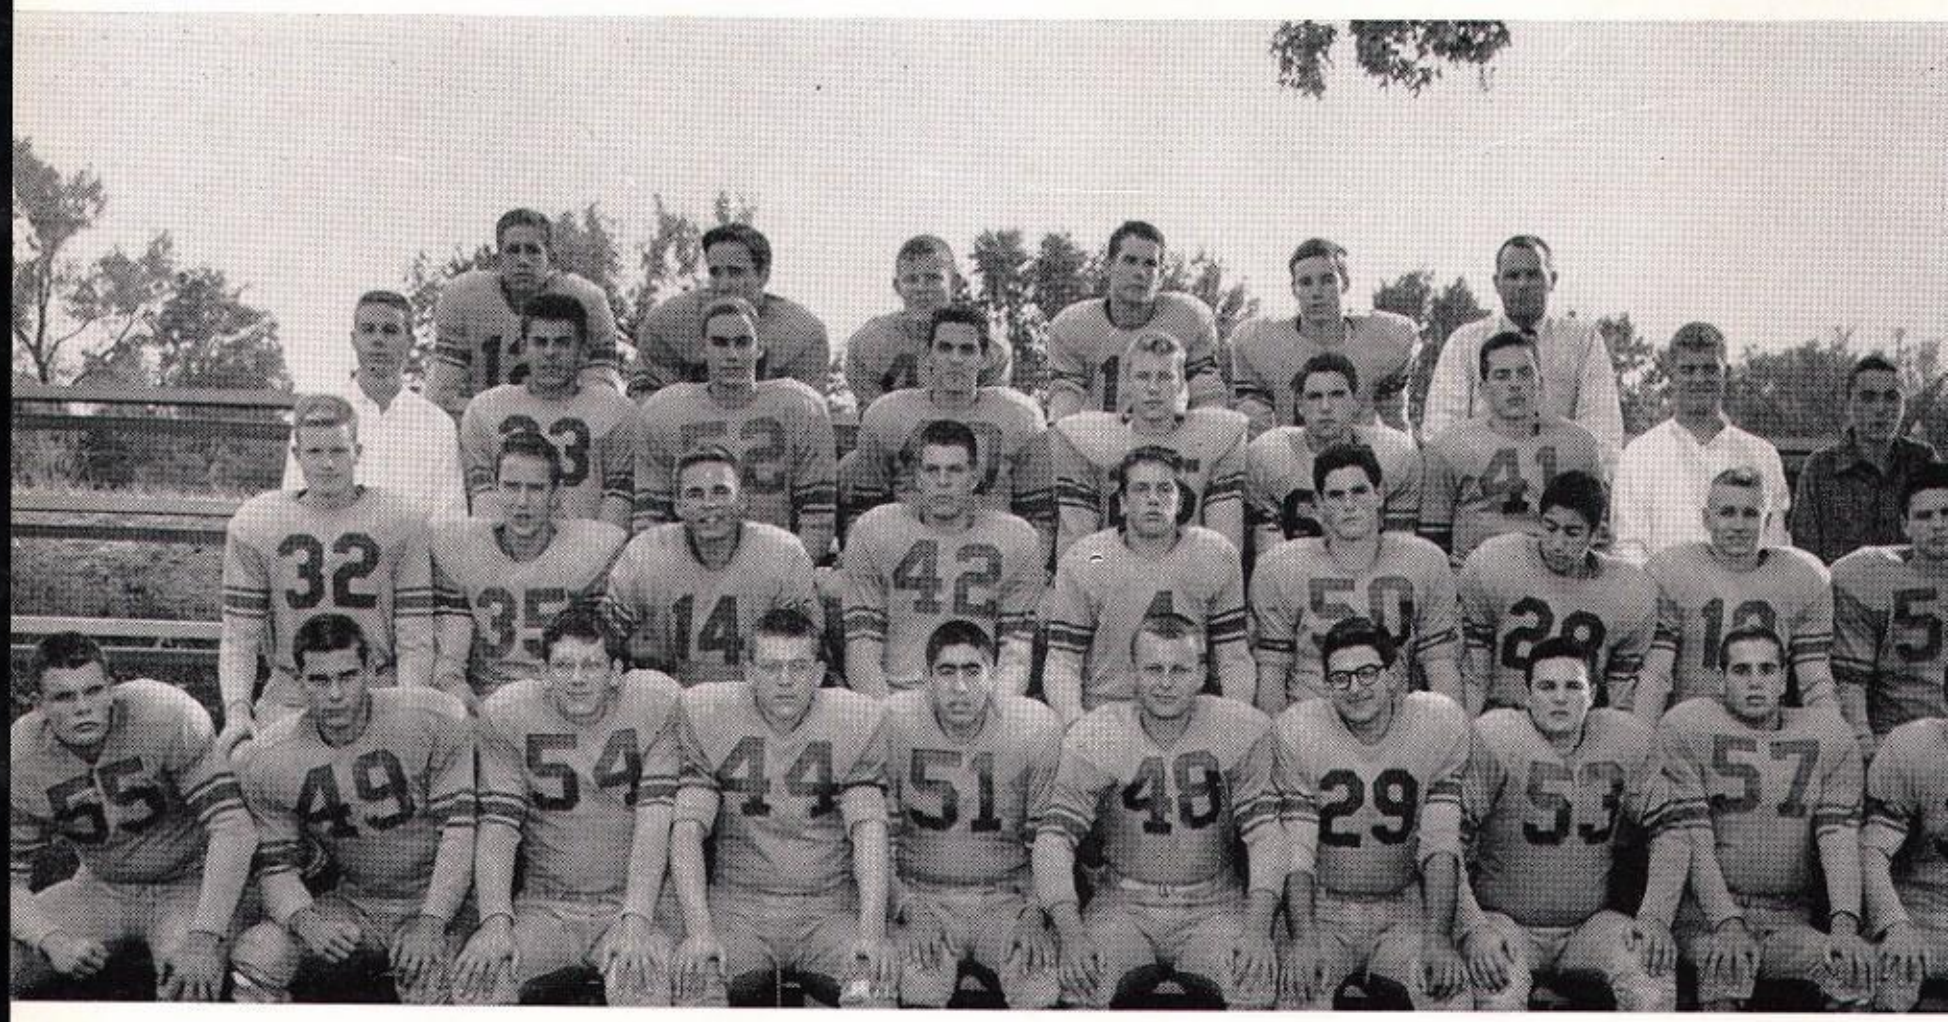
The class of '62 is rather large, consisting of thirty-eight boys and thirty-two girls. The girls adopted a twelve year old foster child from West Germany, and gave a bake sale and a white elephant sale to raise money to support her. The boys worked hard on their Army and Navy teams in football, and the girls on their Blue and Gold hockey teams. Although we have only been at Burroughs a year, we already feel that we are a part of it.

Athletics

"True honor of virtue consists more in fighting than in winning"

—Montaigne

"A" Football



FRONT ROW: E. Cunningham, Cotsworth, Connett, T. Wotka, M. Weil, D. Bricker, Harris, Harrison, Greensfelder, Putzel.
SECOND ROW: Woods, Kieffer, MacRae, G. Roudebush, Mars, Portnoy, J. Weil, Norling, Grigg.
THIRD ROW: Mgr. Gale, Newton, Hamilton, Reiner, Dingwall, Stamper, Meyer, J. G. Jones, R. Bricker.
FOURTH ROW: Baird, Smith, Hobbs, Pellock, B. Bascom, Coach McConnell.

The "A" Football team, coached by Tom McConnell and Howard Yerges, tied for the ABC League championship with Principia and Country Day School. The team started the season slowly as they dropped their first three games, but following these games, they lost only one more in the remainder of the season. The year ended with a 3-4-1 record.

Ladue: 0-26

The Bombers ran up against a powerful and fast Ladue team in the first game. The Bombers just couldn't seem to get going, possibly because they had an average 190 pound line compared to Ladue's 140 pounds.

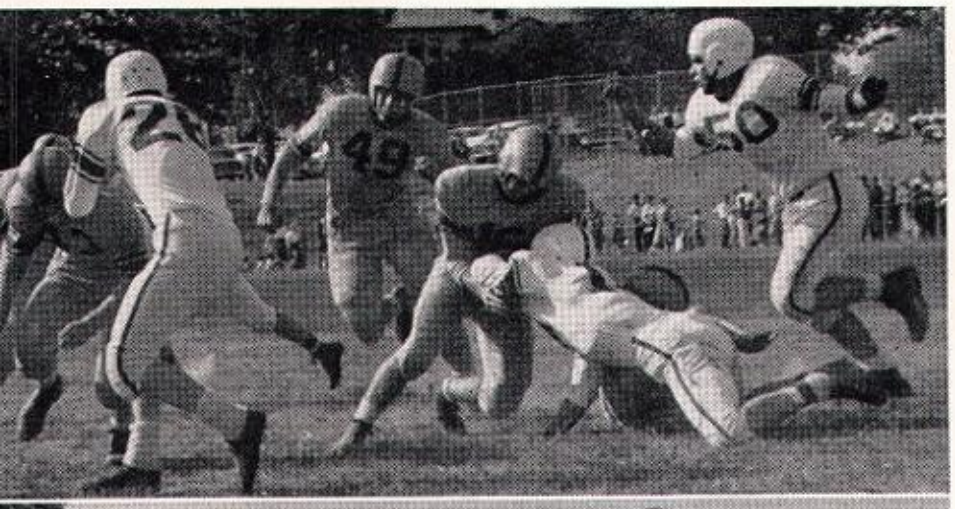
Clayton: 0-12

For the second straight game Burroughs was shut out. The game was a scoreless battle for the first three quarters, but in the fourth quarter Clayton scored on two touchdown passes.

Country Day: 2-20

This was a hard one for the Bombers to lose. The first half was well played by both teams and ended with the Rams leading 7-2; but in the second half the CDS passing attack was too much for the Bombers to cope with.

"A" Football



Chaminade: 32-18

The Bombers first win of the season was an easy one. Playing on Leland Field for the first time, Burroughs had a great day. Jon Mars scored two touchdowns, and Cotsworth, Hobbs, and Norling scored the other three.

Principia: 25-13

Again playing on Leland Field, the Bombers won, upsetting a highly touted Prin team. This was the best game of the year for Burroughs. It was indeed a team victory in which the blocking and tackling were superb. Mars and Cotsworth led the scoring attack.

Pembroke: 13-27

This was a game the "A" team wanted to win in order to even up the win and loss column, but Pem Day proved to be too much. The line play of Dave Bricker was the one outstanding feature of the game.

Maplewood: 19-19

Touchdowns by Bascom, Cotsworth, and Mars were not quite enough to defeat a determined Maplewood team, and Burroughs had to settle for a tie. The contest showed a great deal of endurance and determination on the part of the injury ridden JBS team.

Western: 32-21

The Bombers scored freely in this game which showed a lack of defense by both teams. Don Hobbs was hurt in the second quarter, but Jud Calkins stepped in in his place and did a fine job.

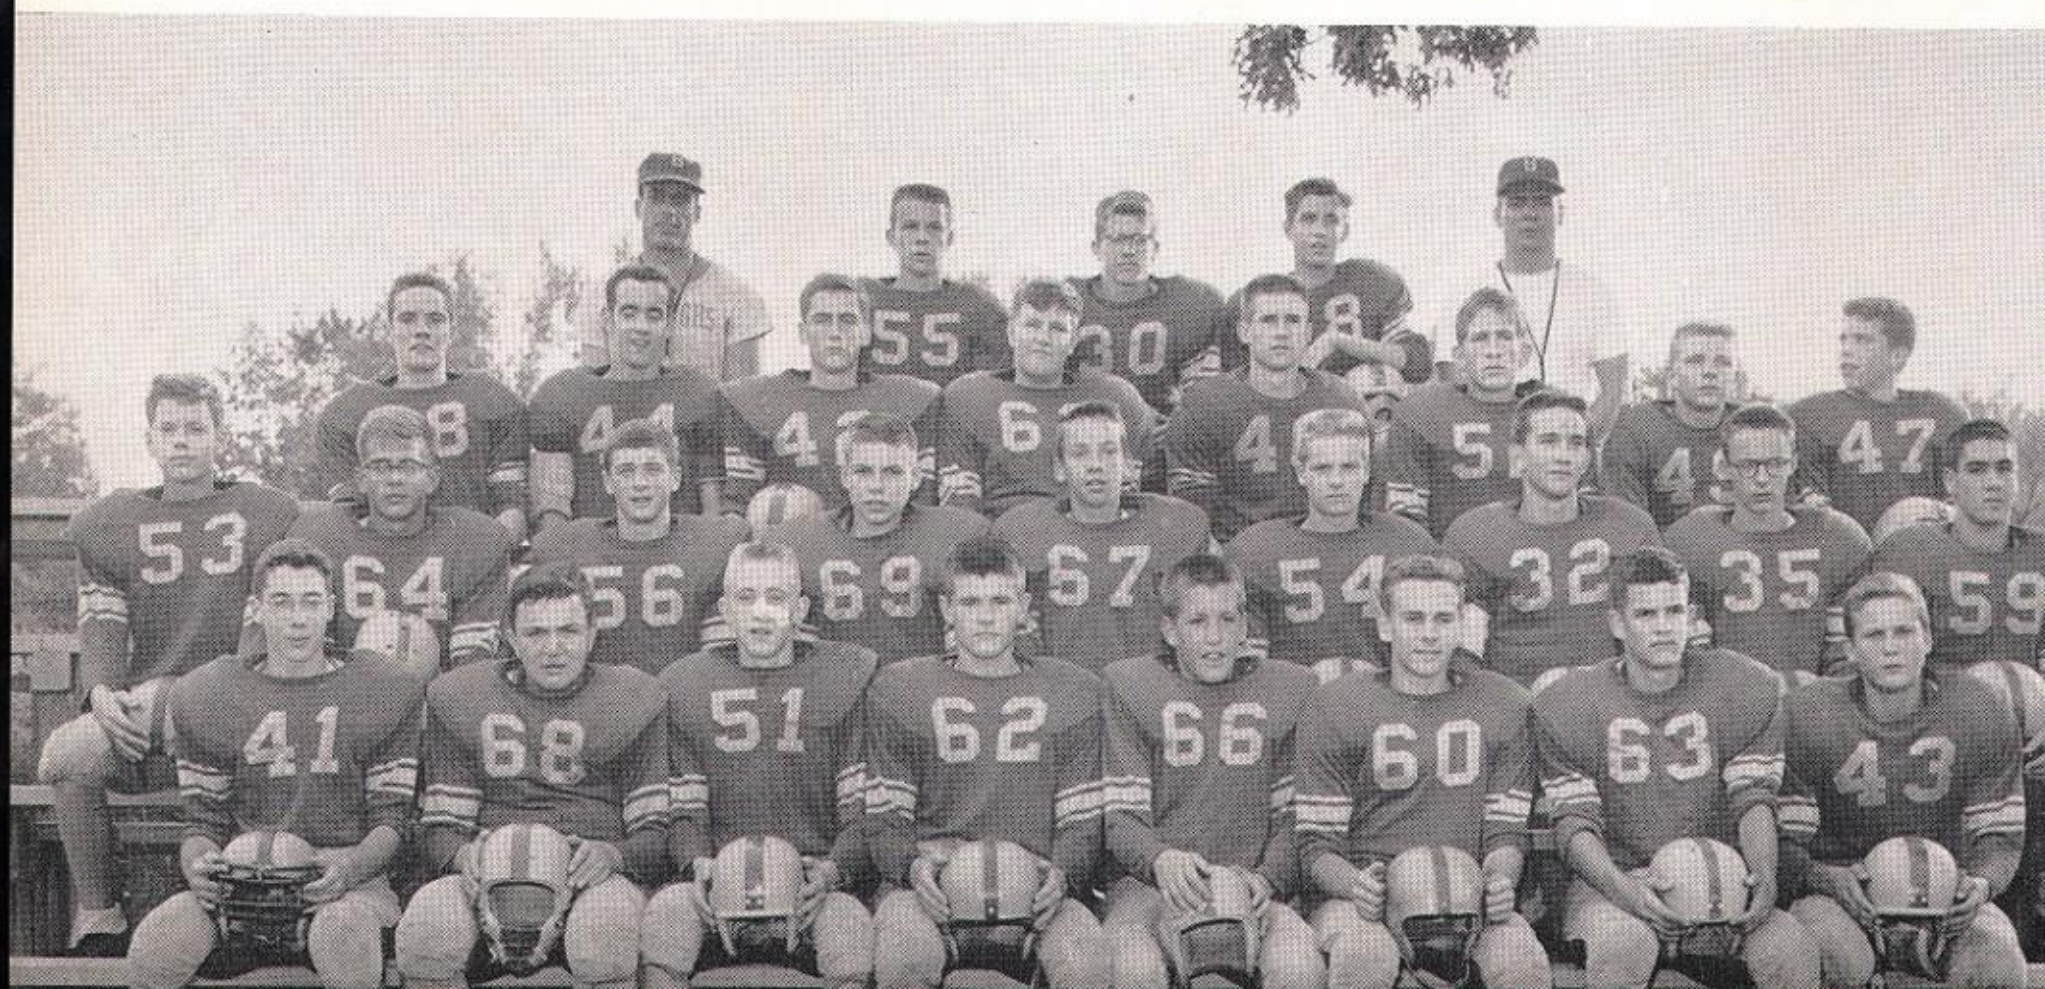
"B" Football

Despite the fine coaching of Mr. Fred Eiseman, Mr. Fred Broeg, and Mr. Aldo Martinago, the "B" team ended the season with a rather discouraging three wins-seven losses.

The Bulldogs began the season with a highly successful invasion of Western, winning the game 25-0. This fast start came to an abrupt halt, however, at the first CDS game. Country Day managed to push across a touchdown in the last quarter of the game to make the score 0-6. In their only non-league encounter, the Bulldogs gave the Coyle Cougars a sample of ABC League competition by romping to an easy 32-13 victory. The game was highlighted by the long touchdown runs of Mike Black and Brig Buettner, who were responsible for four of the JBS touchdowns.

Playing a bigger Principia team, Burroughs fell to their second defeat, 21-7. In the following game, Western again proved to be no competition, and the Bulldogs won easily, 33-0. A second journey to CDS resulted in another bad defeat, 21-0. The final game of the season against Principia, however, turned out to be the "B" team's best. Once again Prin was beaten, this time by two extra points which made the final score 14-12.

FIRST ROW: Thomas, Guth, Rist, Buettner, Sanders, Joslyn, Grable, F. Pitzman.
SECOND ROW: McDowell, Proctor, Eisendrath, Lanz, Kraus, Dube, McDonald, Gilbert, Ruwitch.
THIRD ROW: Eades, Black, Schaberg, Kelley, Calkins, Thomas, Watson, Haertter.
FOURTH ROW: Mr. Eiseman, Wunderlich, Biggs, Croft, Mr. Vibert.



"C" Football

This year's "C" team had both the desire and the determination to win, and considering that the vast majority of our players were experiencing their first year of ABC League competition, the record of four games won and only two games lost was pretty good.

The team's first game against Western was extremely close, with Ronnie Riley making a fifteen yard run with only minutes left to play to change defeat into victory, 13-7. Although they fought hard, Burroughs was handed their first loss of the season by Country Day, 13-0. The next game with Principia was scoreless until late in the fourth quarter when once again Riley scored the winning touchdown and extra point to give the Eagles a hard earned 7-0 victory. In their second straight shutout, the "C" team rolled over the Western Cadets, 13-0, but in the second big clash with Country Day, the Red and White again emerged victorious, 13-0. Burroughs ended the season by overpowering Principia, 18-0.

The tremendous improvement showed by the team as a whole was noteworthy. From the first game to the last, the teamwork as well as individual improvement showed considerable gains in the right direction. This would not have been possible were it not for the fine coaching of Mr. William Vibert and Mr. Paul Koprivica. With a year of experience under their belts, next season's "C" team should have a fine nucleus to build upon.

FRONT ROW: Belz, Mabry, Zopf, Rederer, Gardner, Prewitt, J. Stamper.
SECOND ROW: Riley, Lungstras, LeResche, Mill, Kline, Leach.
THIRD ROW: Stribling, Black, Lischer, Cranston, Heineman, Sale.
FOURTH ROW: Mr. Vibert, MacBryde, Cornwell, Hopkins, Myers, Goldman, Mr. Koprivica.

FRONT ROW: Green, Wunderlich, Biggs, Baird, Wotka, Harris, Connett, Giessow, Cotsworth, Portnoy, McDonald, Eades, Mr. Hatchard.

SECOND ROW: Mr. Montgomery, Armstrong, Woods, Knight, Bricker, Gale, Dingwall, Weil, Meyer, B. Stamper, Liebson, Black, Ettman.

"A" Soccer

A great comback was thwarted by a loss in the last game of the season which deprived the "A" Soccer team of the ABC League championship. Under the excellent coaching staff of Mr. G. C. Montgomery, Mr. Les Hatchard, and Mr. Neil Maune, the team was able to compile a 7 won, 4 lost record.

In their opening game of the season the "A" team trounced an out-classed Taylor squad 8-0. The game was highlighted by the three-goal scoring of Jon Mars. The next game saw Burroughs take a close one from Ladue 1-0. The first loss was handed by Country Day. An overconfident JBS team fell to defeat 1-0. A 3-0 loss to a strong St. Johns team was followed by a third straight defeat, a 1-0 loss to Western. Burroughs snapped out of its slump with a 2-1 victory over St. Johns and a 1-0 triumph over Ladue. Burroughs then started its drive for the league championship by defeating the leading Principia team two times in two days. The first game with the Panthers was a rough affair but the "A" team emerged victorious 3-2. Burroughs completed the sweep of the two game series with a convincing 2-0 win. There was no question as to the outcome of the return engagement with Country Day, as the Burroughs "A" team coasted to an easy 3-1 triumph. The final game of the season cost JBS the title as the Cadets of Western took a 2-0 decision.

FRONT ROW: Myers, Watson, Leach, Schaberg, Thomas, Lanz, Gardner, Stribling, Johnson, MacBryde, Zoph, Rederer, Ruwitch, Cunningham.

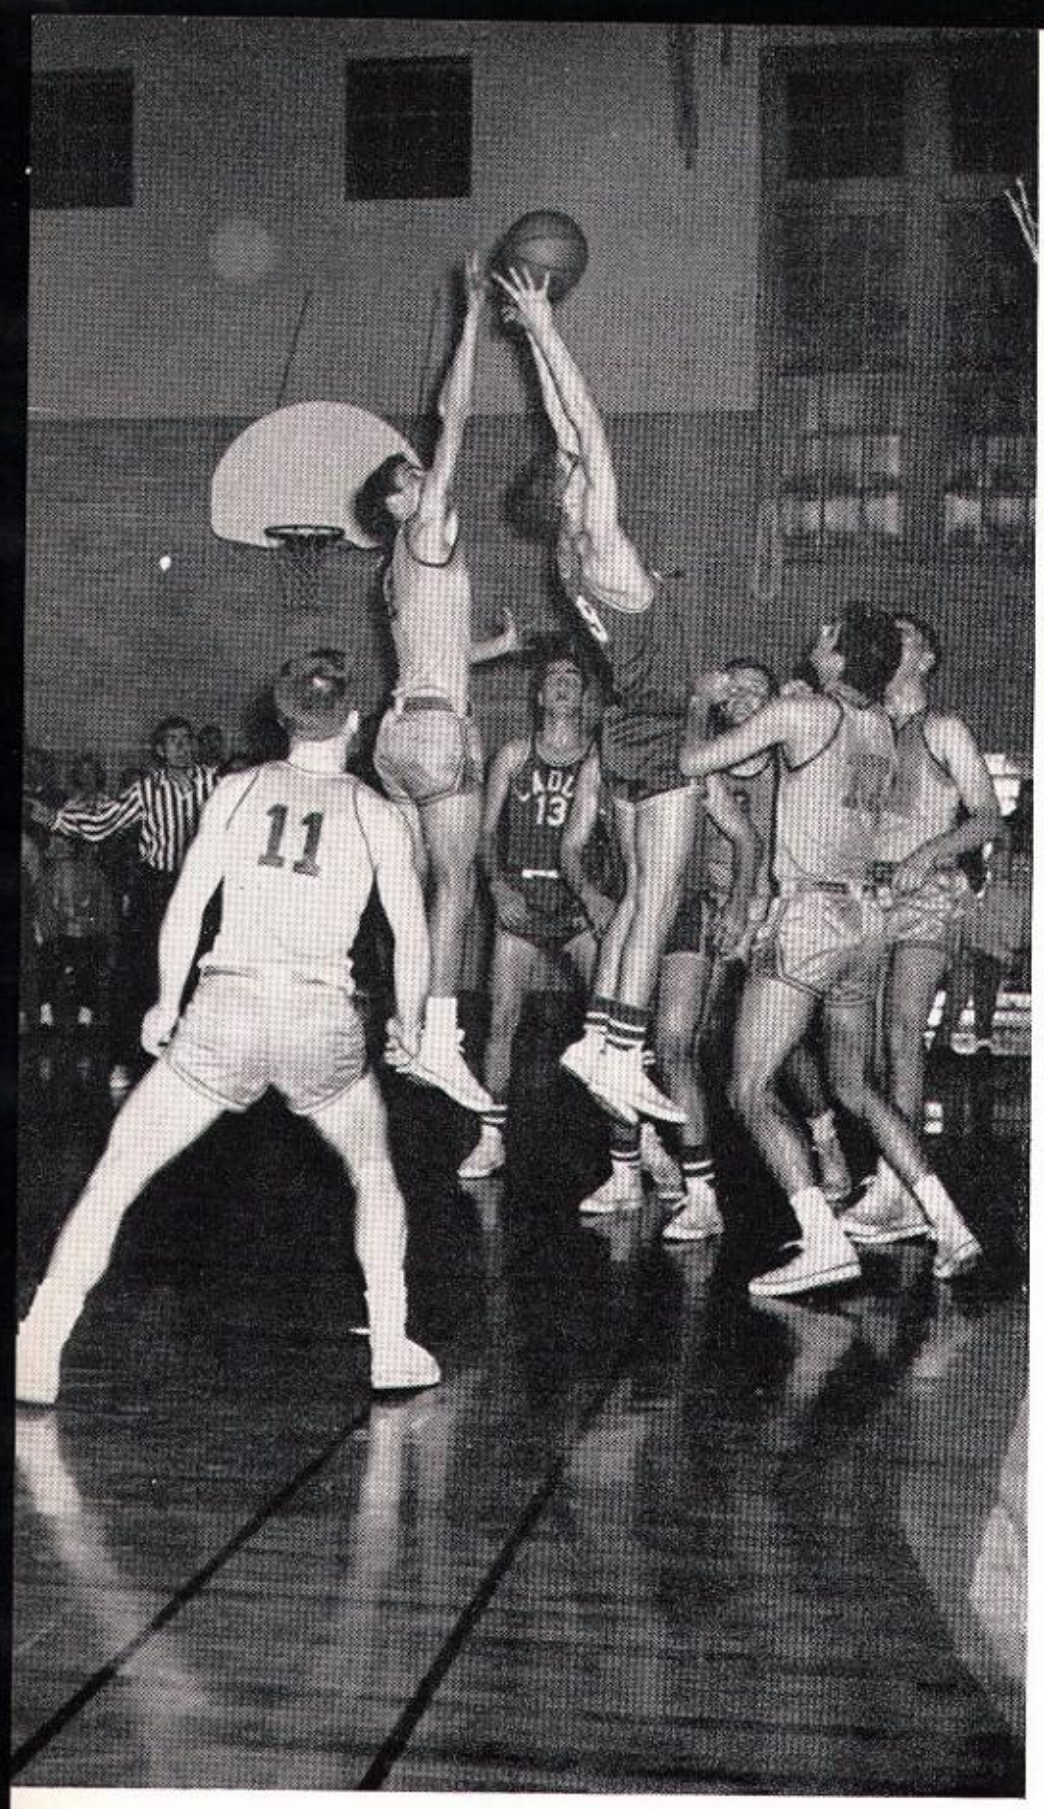
SECOND ROW: Mr. Beckman, Joslyn, F. Pitzman, Eisendrath, Williamson, Elbring, Hamilton, Proctor, Weil, D. Lovelace, Westerman, Larson, Lemon, H. Lesser, J. Lesser, Mr. Parry.

"B" Soccer

The "B" Soccer team finished its season as undefeated league champions, winning five games and tying one in league play, and winning one and losing two in non-league play.

The Bulldog's first game was a non-league match with Principia which ended in a 3-1 victory for Burroughs. The team lost its next game to an experienced Ladue team, 1-2, on the victor's field, and tied their third game, which was against Country Day, 0-0. The Bulldogs defeated Western, 2-0, on the losers' field, but back home again, the team lost to Ladue, 1-3. In their second match with Western, they played to a 3-0 victory. On two consecutive days they overcame Principia, 2-1 and 3-1, and in their last and championship game, they beat Codasco by the close score of 1-0, the goal being made by Grant Thomas in the second half.

This championship season was due to the fine guidance of the coaches, Mr. Ray Beckman and Mr. Martin Parry, and the spirit of the whole team. The hard offensive play by Frank Myers, Kevin Schaberg, and Bob Watson, as well as the excellent defensive play afforded by goalie John Weil, highlighted the team's success.



"A" Basketball

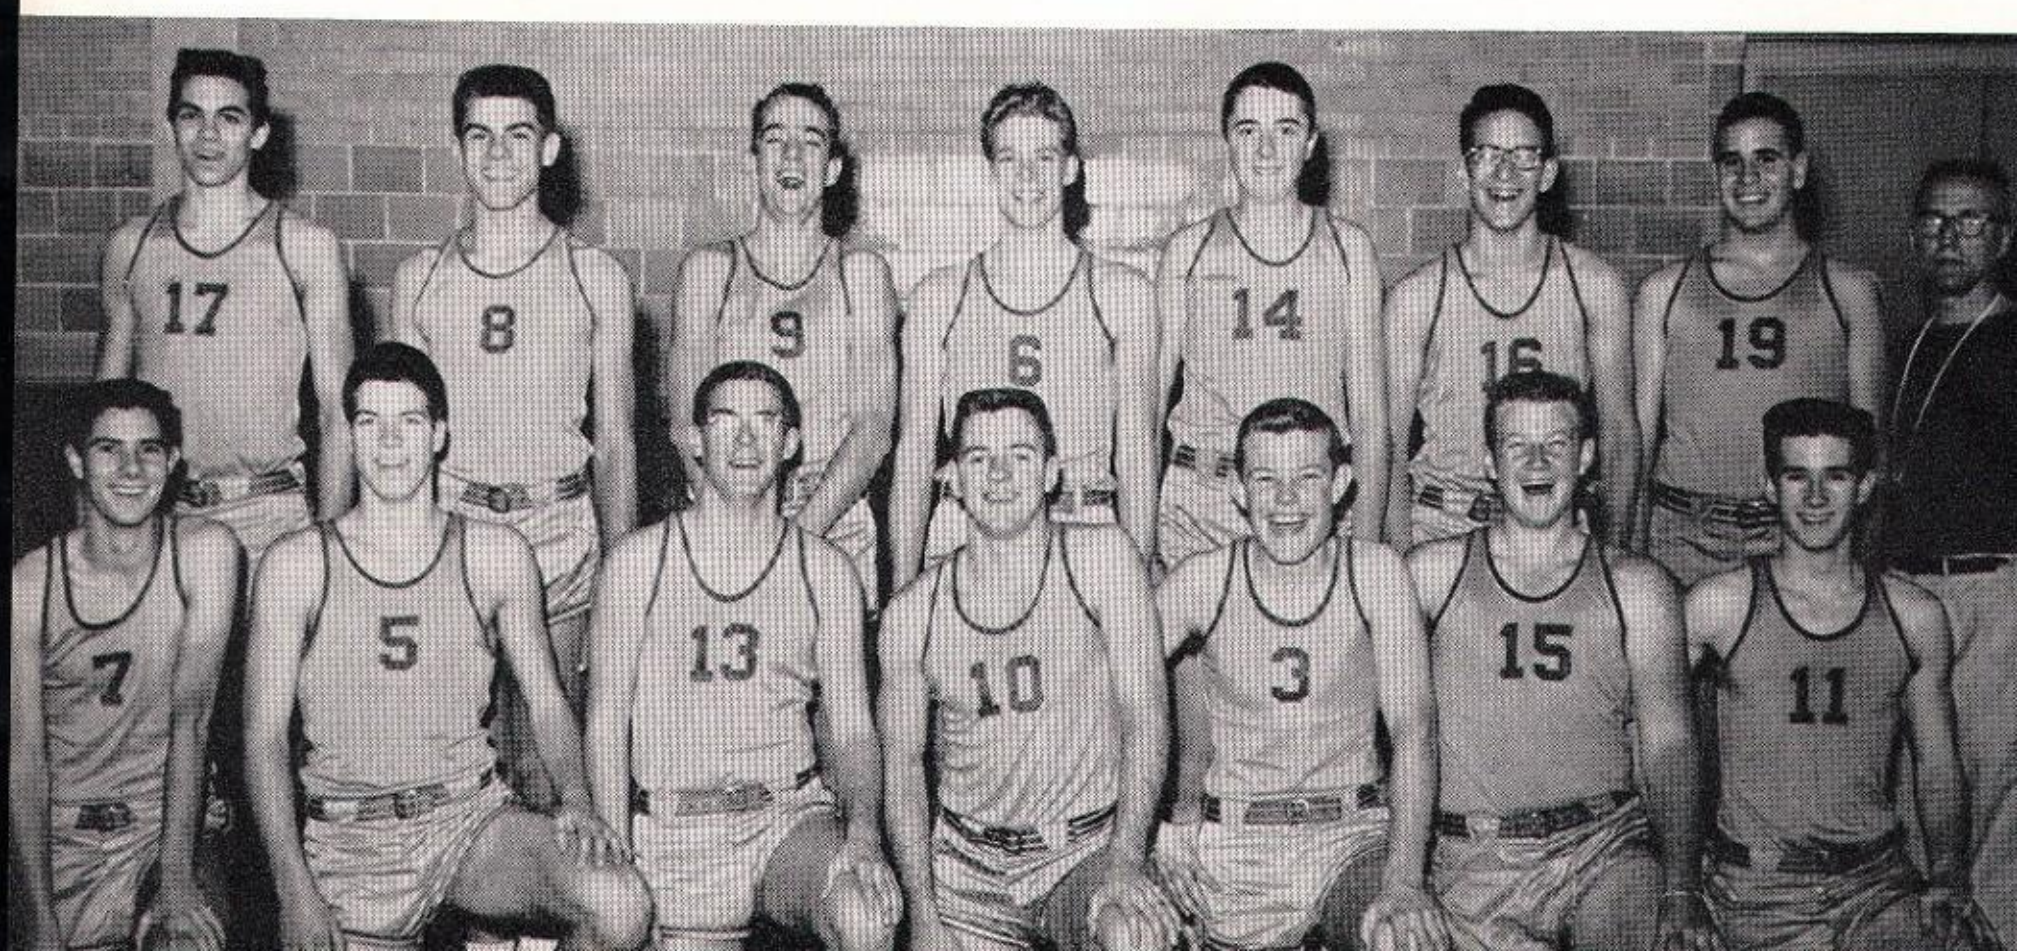
The 1956-57 basketball team, although excellently coached by Mr. Elmer Hirth, experienced a heartbreaking season with a 1-16 record, mainly due to lack of experience.

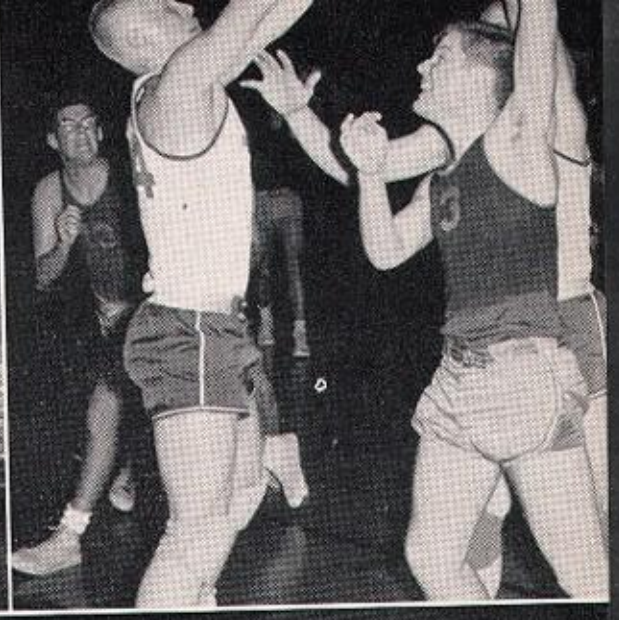
The Bombers were beaten in their first three games by Brentwood, Clayton, and Ladue. In their fourth game, despite the sixteen point scoring of Butch Bucholz, Burroughs was again defeated, this time by Codasco, 43-59. Against Lutheran, a great last minute rally almost brought the Bombers to a victory, but Lutheran managed to hold out to win 36-33. Burroughs lost their second league match to Western, 48-55.

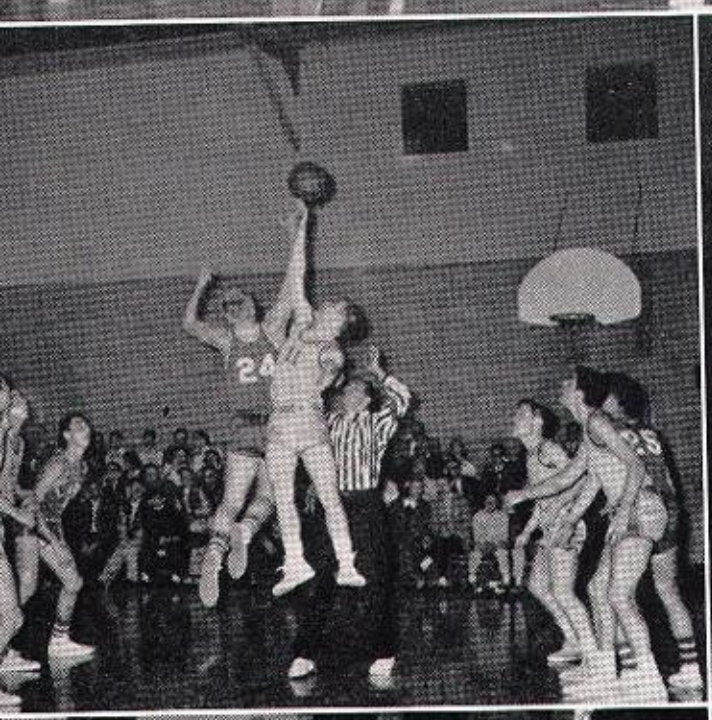
A loss to Pembroke was followed by two close defeats, one with Coyle, 43-50, and the other with Principia, 36-51. These were followed by a drubbing by Chaminade, 47-75.

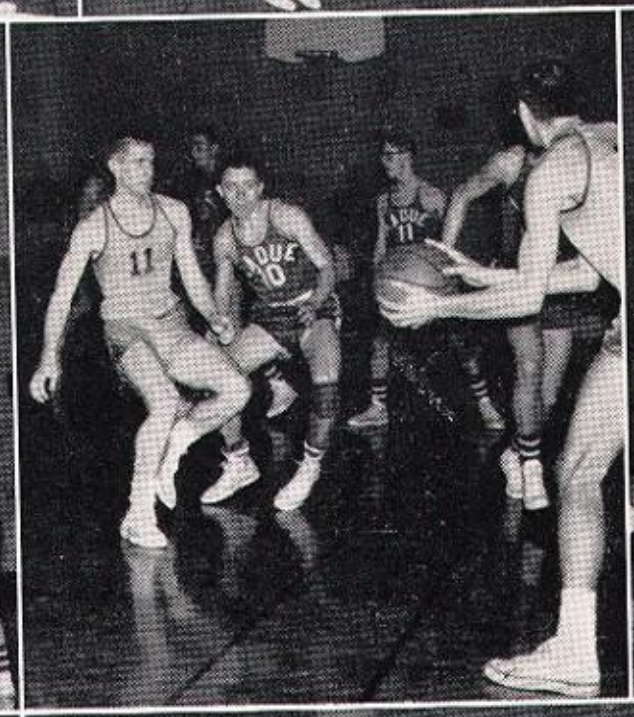
The high point of the season was reached with the opening of the second round of league action against Country Day. The team as well as the Burroughs fans were hungry for a victory, and spirit was tremendous. The game was close throughout, with the lead changing hands ten times during the second half. Country Day won this game, but they had to do it with two free

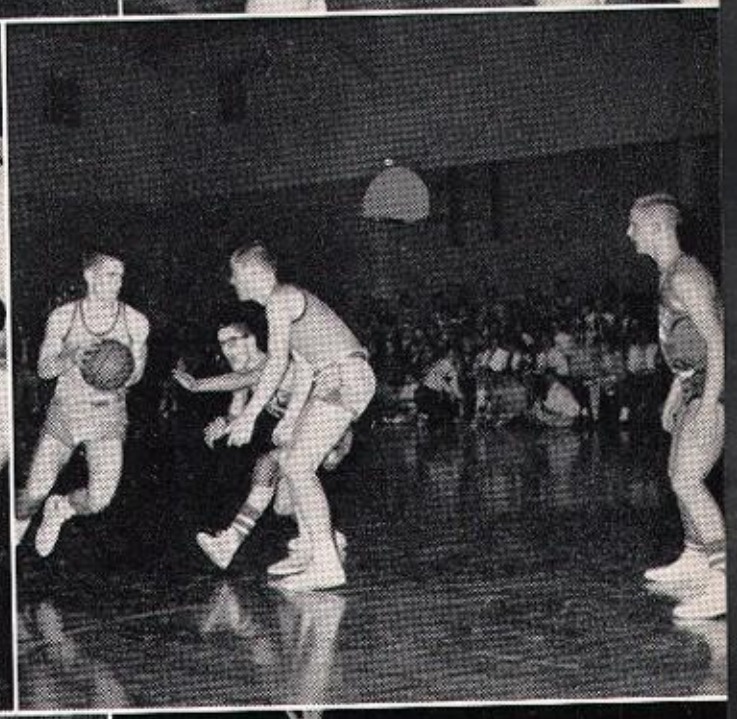
FRONT ROW: Buchholz, Roudebush, Pollock, MacCarthy, Hobbs, Lane, Calkins.
SECOND ROW: Reiner, Newton, Kieffer, Wenzel, Bricker, Dubinsky, Greensfelder, Mr. Hirth.

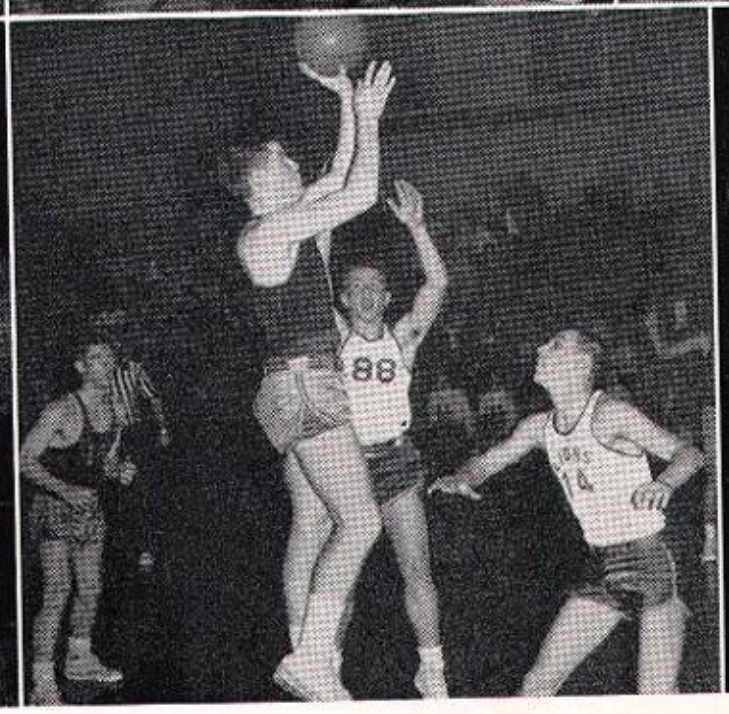


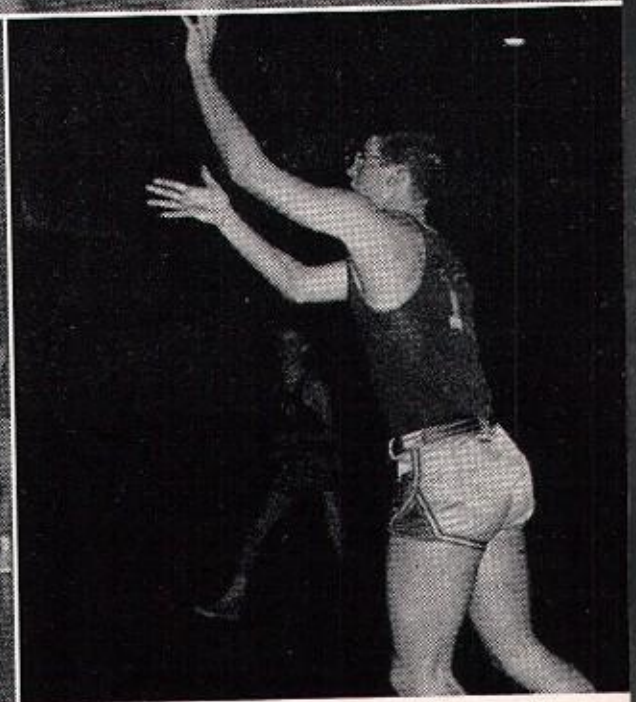












throws in the last seconds of play. The final score was 47-48.

A second loss to Western was followed by two heartbreaking losses to Ladue and Bayless. Ladue lasted out a Burroughs rally 53-55, and Bayless was forced into an overtime before they won 53-50. Burroughs completed its regular season with a defeat by Principia, 41-66.

In order to eliminate the odd team in the state tournament regionals at Pacific, Burroughs played Fox and won its first and unfortunately, only victory of the season by the score of 82-33. The next game with Northwest of House Spring found the Bombers far off form and they lost 40-59.

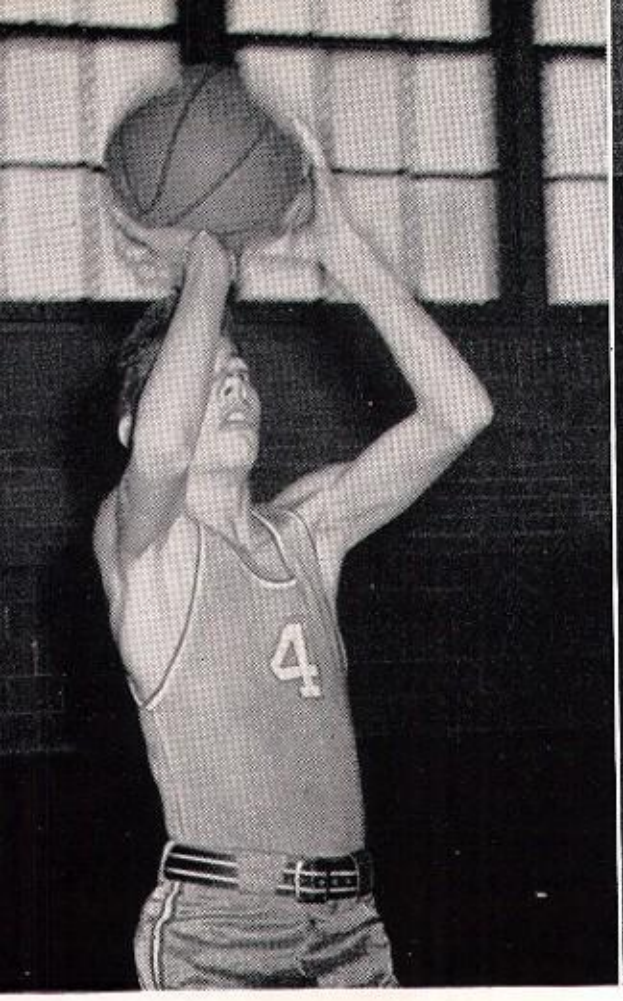
Although their record was not too impressive, this year's "A" team, which was made up primarily of Sophomores, showed tremendous improvement thoughout the season and gained invaluable playing experience. It's to the team's credit that despite repeated defeats they never lacked spirit or failed to show good sportsmanship. It's a pretty good bet too, they they'll have a brighter season next year.

"B" Basketball

The "B" Basketball team, handicapped by a lack of returning lettermen, had a 4-10 record this season. Coach Tom McConnell did a fine job of coaching, and the team improved throughout the year. The team can look back on a good season, a season of experience, and maybe next year, a season of victories. The following is a rundown of our games.

Our first two games were lost to Brentwood and Ladue, 31-45, and 30-45. We won the following game with Clayton, however, 42-36. Then came Christmas vacation practices and a newcomer, Dave Clark, who was to prove to be a valuable addition to the squad. In the team's first game following vacation, Burroughs eked by Western, 43-41. Our next game was a heartbreaking loss to the Daisies by only one point. Determined to win, we struggled our way to victory against Coyle, and with the help of Clark's 16 free throws, Rist's 21 points, and Croft's blind jump shot in the final seconds, we downed the Cougars 48-44. The next night, in spite of some fine shooting by Charlie Kraus, we lost to Prin by a score of 43-26. Without Dave Clark, we lost again when we played Lutheran. With a team crippled by the absence of starters Kraus and Croft, we were badly beaten by Chaminade. With these same two boys out in our game against Western we were defeated. Our next game was another heartbreaker to our friends on Brown Road, as we lost, for the second time, by only one point. With Croft's return and Buettner filling in for Kraus, a great "B" team badly defeated a cocky Ladue squad by the score of 64-49. Our season ended badly as we were defeated by a small and ragged team from Bayless 29-31. In our last game we had desire to win and good spirit, but were unable to overcome a fine Principia team, and we lost this final one 20-46.

FRONT ROW: Straub, McDowell, Croft, Clark, Bean, Thomas, Dube, Leussler, Horner.
SECOND ROW: McConnell, Buettner, Rist, Rosaaen, Grable, Kraus, Haertter, Sanders, Kelley, Guth.



"C" Basketball

With the coaching of Mr. Dave Sisler and Mr. Bill Penniston, the "C" basketball team finished second in the ABC League with a 4-2 record.

The Eagles lost their first game to the St. Louis U. High freshman team, 14-35. They were defeated again in their next game by Wydown, 31-35, but recuperated to take their first victory, 36-35, over Lutheran.

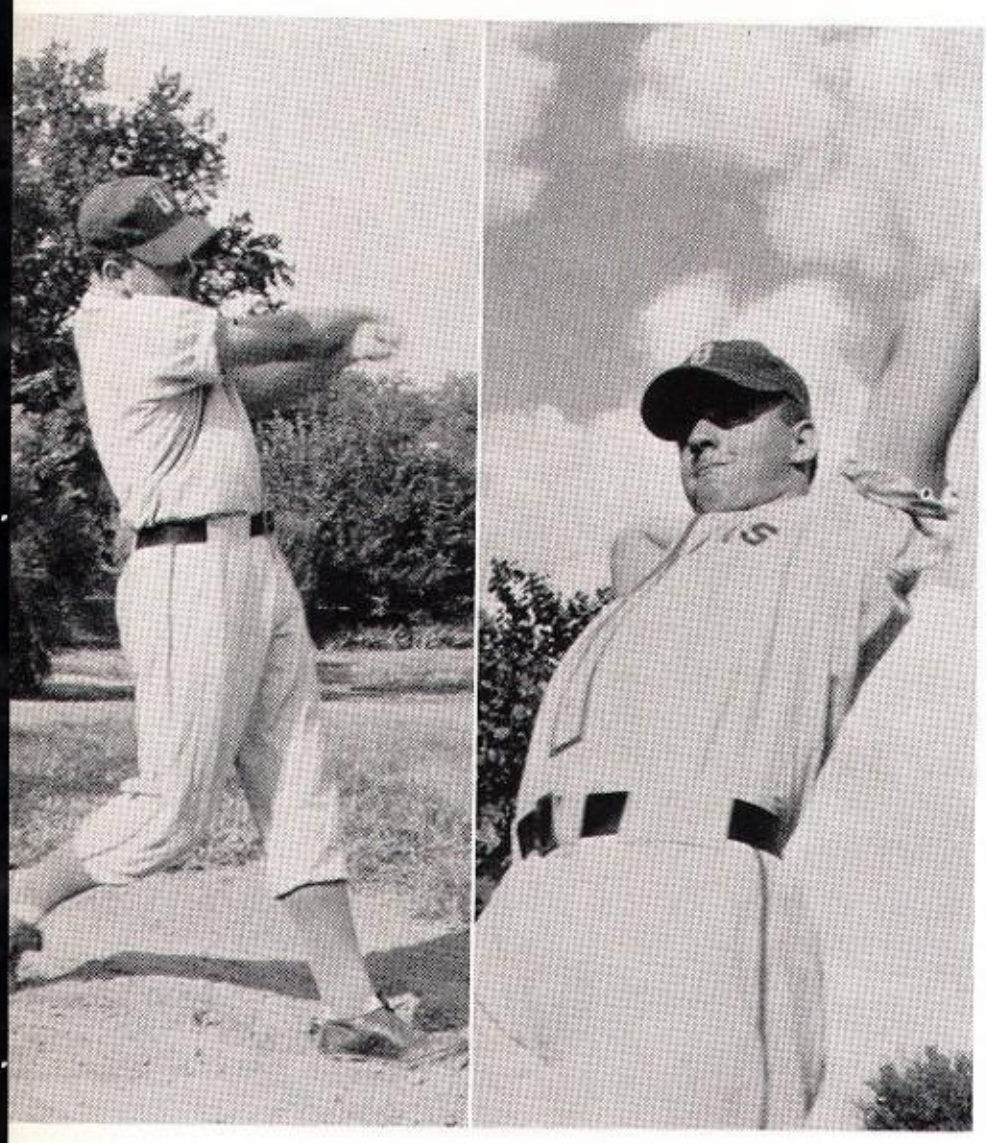
The League games began with a discouraging 36-38 loss to Country Day. The J. B. S. "C" team smashed Western, 41-10, and then took Lutheran, 31-27, before being defeated by a superior Chaminade team 13-57. This game was followed by a loss to Principia, 23-24. Burroughs took revenge for their earlier defeat by Codasco by pasting C. D. S., 43-21. A 49-26 defeat by Chaminade was followed by a convincing 52-30 triumph over Western. In their final game of this season, the Eagles downed Principia 48-43.

FRONT ROW: Ackerman, Heineman, Lungstras, Sale, Cornwell, LeResche, Stamper.
SECOND ROW: Hopkins, Goldman, Prewitt, Belz, Mill, Lischer, Stocker, Kline, Wulfing.

FRONT ROW: B. Calkins, Terry, Schneeberger, McDonald, Harding, Conzelman, Murphy, Gutman, Wulff, Moran.

SECOND ROW: Lungstras, McCarthy, Smith, Wattenberg, Seddon, J. Calkins, M. Lane, Mr. McConnell.

"A" Baseball



Under the fine coaching of Mr. Tom McConnell, the "A" Baseball team won its sixth consecutive ABC League championship, with a four wins, two losses league record.

The first game was lost to Clayton 10-5, and was followed by a 9-6 loss to a powerful Normandy team. The opening league game of the season proved to be a thriller, Burroughs winning 3-2 when pitcher Mike Lane struck out the opposition's last batter with the bases loaded. Ladue fell before a good JBS offense and the fine pitching performance of Dave Moran, by a score of 10-2, the Bombers scoring in every inning but the fourth. Overconfidence led to a 6-3 defeat at the hands of Principia. The Panthers had not won a league game in two years, and it looked like an easy victory for the "A" team, but the Bombers played their worst game of the season, committing eight errors. Burroughs got back on its feet by beating Western 4-3, but after a previous defeat, Ladue took revenge on JBS to the tune of 7-2. Starting their second round of league play, the Bombers played a crucial game with Country Day and won it in extra innings 6-5. A loss to Western left the league championship up to the final games of the season. Burroughs won their key game over Principia 6-2, as Country Day handed Western a defeat to give John Burroughs the undisputed championship.

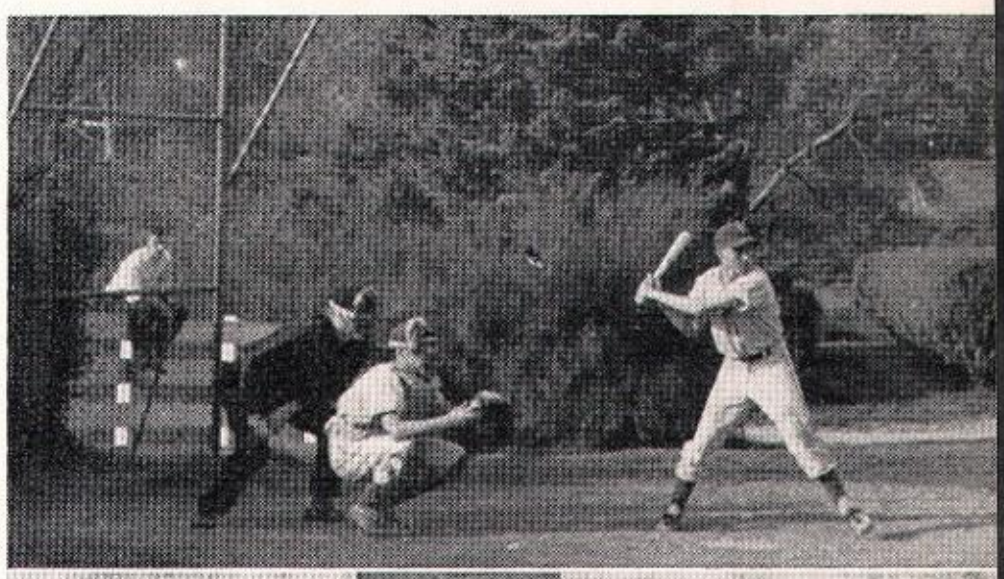
FIRST ROW: Gilbert, Grigg, Kraus, Sanders, Newton, Haertter, Black, McDonald.

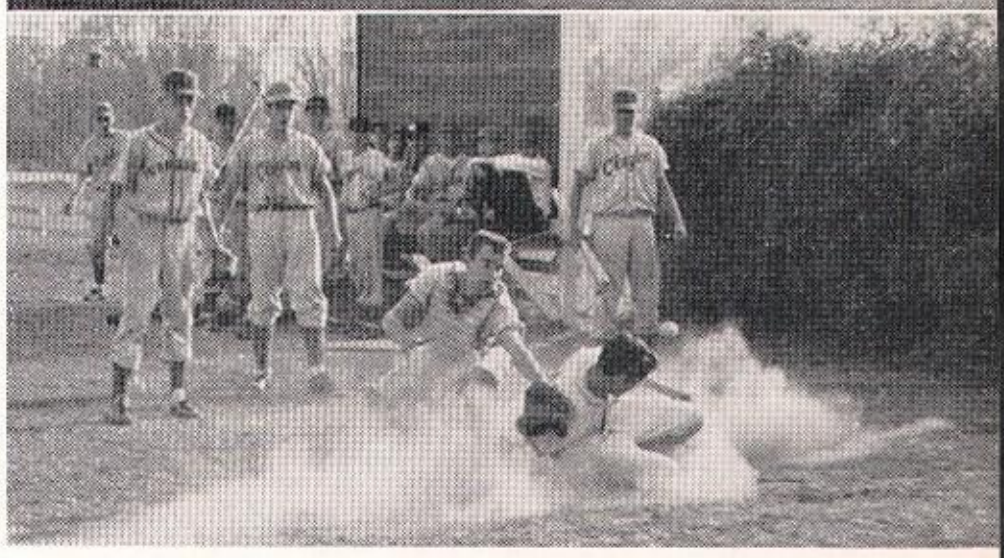
SECOND ROW: Mr. Eiseman, Rosaaen, Pollock, Hassett, J. Sanders, Schnure, Stamper, Rist, Buettner, Mr. Vibert.

"B" Baseball

The Burroughs "B" baseball team, under the able coaching of Mr. Fred Eiseman and Mr. William Vibert, had a fair 1956 season, winning five games while losing four.

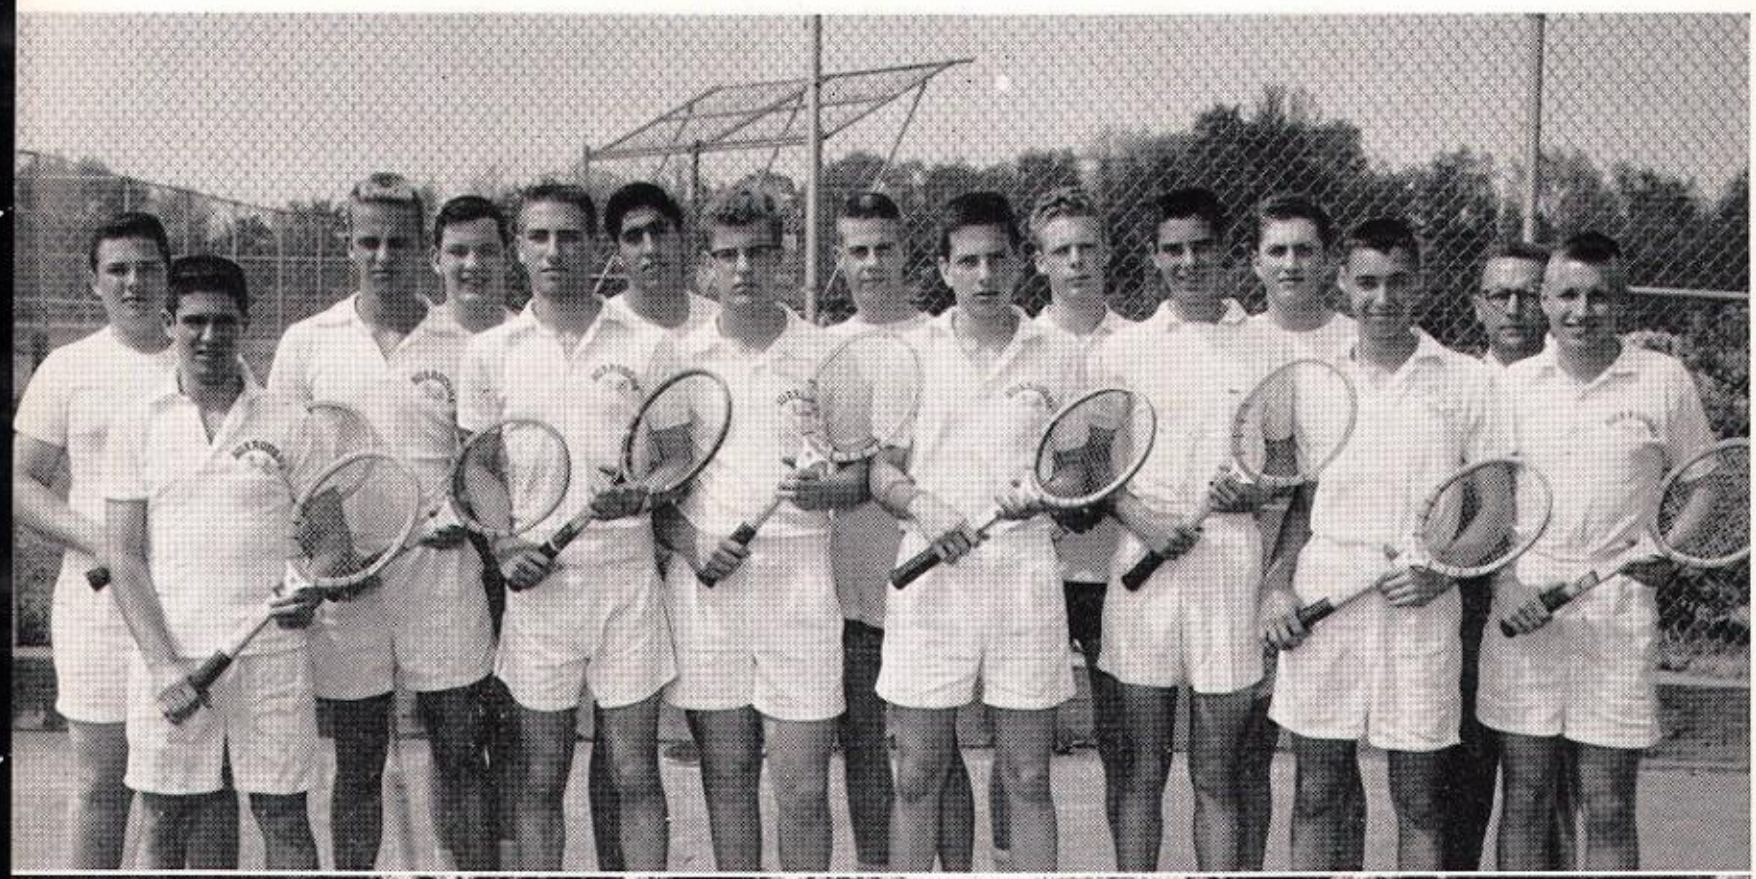
With the fine pitching of Wally Rist and the hitting of Bill Hassett, the Bulldogs opened the season with an impressive victory over Clayton by a score of 3-1. Their first league encounter with Country Day wound up with a 7-3 loss. It was against Chaminade that the "B" team displayed their batting power, winning easily, 12-7. After our 10-2 victory over Western, Clayton got its revenge on Burroughs as they won 8-5. The worst game of the season was the defeat of the team 17-0 at the hands of Codasco. Burroughs made seven errors and only one hit off of the opposing pitcher. Burroughs lost the next one to Western 8-7, but managed to salvage its last two games with victories over Ladue.





"A" Tennis

FRONT ROW: Esserman, Beckers, Haven, Jones, Meyer, Buchholz, Putzel, Norling.
SECOND ROW: Harrison, Knight, M. Weil, C. Gale, Wenzel, Bowling, Mr. Hirth.



FRONT ROW: Biddle, G. Roudebush, G. Thomas, Eisendrath, Eades, Goldman, Mr. Horner
SECOND ROW: J. Weil, Straub, Croft, Dingwall, Dube.

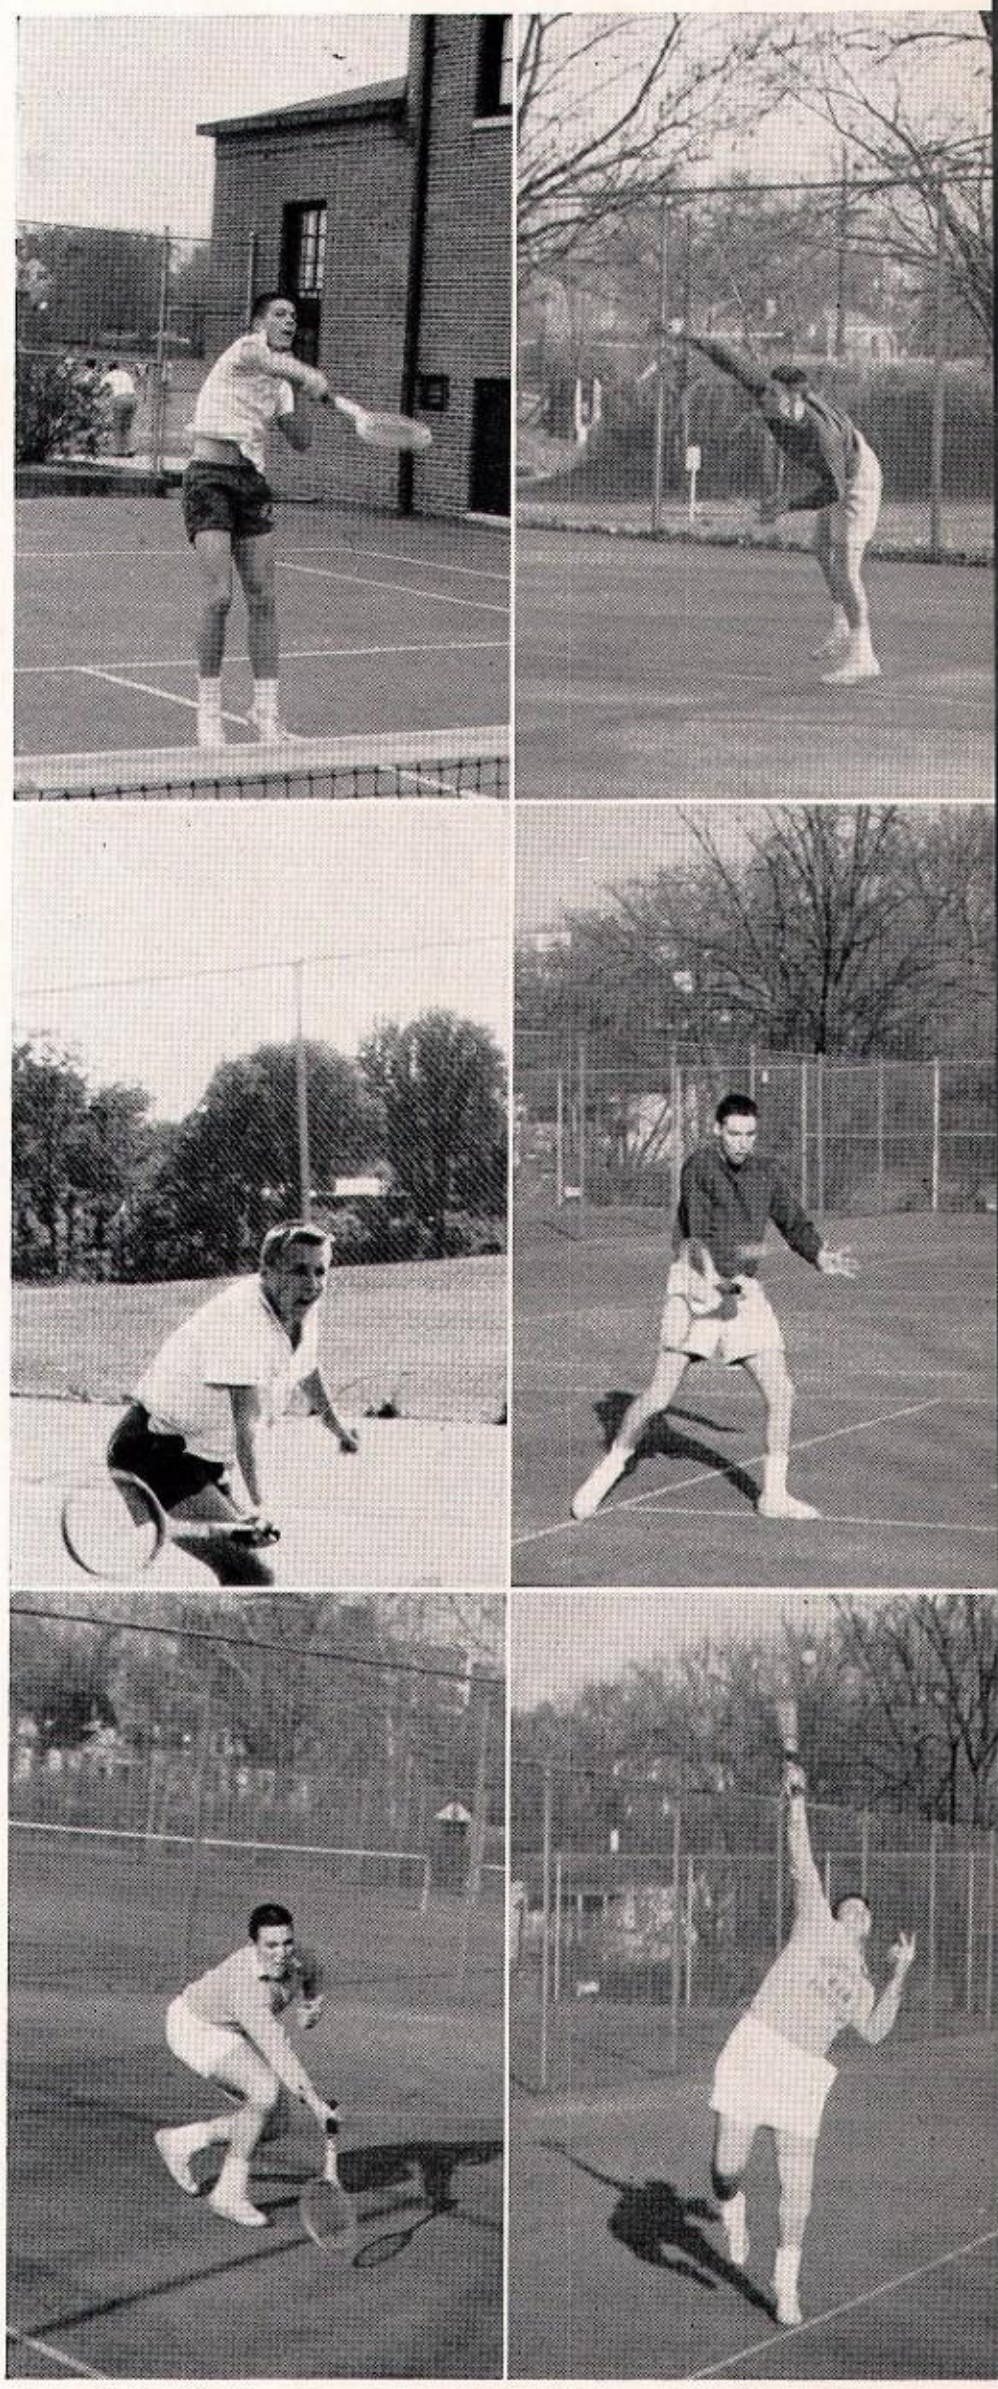
"B" Tennis

With the coaching of Mr. Elmer Hirth, the "A" Tennis team won eight of its matches, while losing four, these being to Country Day and Principia.

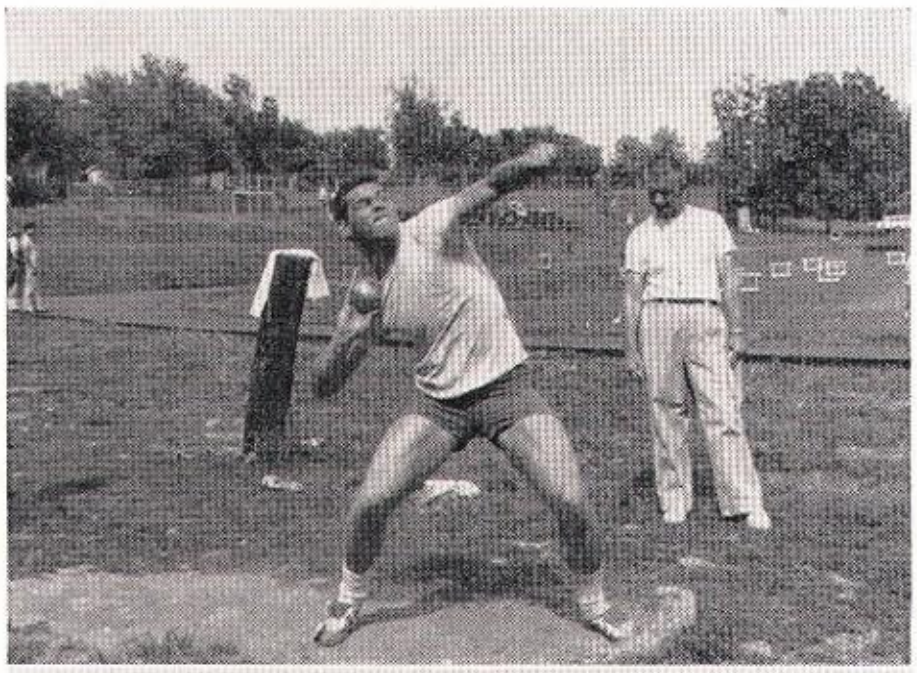
A promising 5-0 victory over Clayton started out the season, the netmen allowing the visitors just eight games. Although the next game was stiffer competition, Burroughs triumphed over Lutheran 3-2. The first league opponent, CDS, dealt the "A" team its first loss 4-1, Butch Buchholz being the only one to salvage a victory against the Daisies. A 5-0 victory over Clayton was followed by a 4-1 loss to Principia. Western and Ladue fell easily before the team, both by scores of 5-0. Meeting Country Day for the second time, the netmen were trounced 5-0 in their worst match of the season. Burroughs bounced back to take Western, but let Prin slip past 3-2. JBS finished the season with a 4-1 win over Lutheran, and a 5-0 victory over St. Louis U. High. In post season games, Burroughs won the Country Day Invitation Tennis Tournament in which teams from both the city and county participated.

The 1956 "B" Tennis team enjoyed a very good season under the guidance of Mr. Fred Horner, winning seven matches while losing only two. Unfortunately, these two matches were to CDS and Principia, and cost the team the chance of taking the League Championship.

For their initial contest, Burroughs journeyed to Country Day where they trounced Codasco 4-1. The doubles division of the team won the following match when they slipped by Principia 3-2. The next two games against Ladue and Western were won 4-1 and 5-0. The first loss of the year was handed to them by Codasco 4-1. Only George Roudebush was able to gain a victory from the visitors. The following game with Western was an easy 5-0 victory, the matches being highlighted with 6-0 sets. Principia knocked out the "B" teamers with a surprising 4-1 victory. With the League play over, the team closed out the season by defeating Lutheran 5-0, and Ladue 4-1.



Track



The Burroughs 1956 track team won three out of five dual meets, and did very well in the "B", District, State, and ABC Meets.

In their opener, the team fell before a powerful Ladue squad by a score of 77½ to 44½. At CDS, however, the team won in a surprisingly easy upset, defeating the Brown Roaders 71-46. Burroughs took first place in all but three events, sweeping all except one of the running events. The next meet was at Principia, where, obviously outclassed, the team lost to the Panthers 92-25. JBS finished their dual meets by defeating both Brentwood and Western. At the Brentwood meet, Bill Corrington paced the attack with 19¼ points won in the pole vault, broad jump, and high jump. The 76-42 victory was due to the complete dominance Burroughs displayed in the field events. The JBS track team won an easy 87-31 victory over Western by taking all three places in the 440 yard dash, the 880 and mile relay races. In the "B" District Meet, Burroughs placed a respectable second, and gained 1½ points against the extremely stiff competition in the State Meet. The final meet of the season was the ABC Meet where JBS outfought Country Day for second place honors as Principia won the meet by a large margin.

The track team is indebted to coaches John Acker and Erv Leimer for their excellent guidance.

FRONT ROW: Green, Mars, Kieffer, Jordan, Cullenbine, Gerlach, Weidemueller, Levy, Morrin, Hardy, Engle.

SECOND ROW: Guy, Harford, Watson, Reiner, Hamilton, Portnoy, Oberbeck, J. Woods, B. Gardner, B. MacBryde, Stribling.

THIRD ROW: Pflager, P. Stocker, Langenberg, Joslyn, Wunderlich, Cotsworth, Thomas, McDowell, B. Cunningham, Johnson, Connett.

Ski Club

There were thirty-seven Aspenites aboard the Colorado Eagle when it left for Denver this year, making this the largest group Mr. Hinrichs has ever taken on the spring vacation ski trip. The prospective skiers were acquainted with Aspen, skiing techniques, and equipment at meetings held before the trip. After the sleepless, all night ride on the train, and the two hundred mile bus ride over Loveland Pass from Denver to Aspen, the students arrived at the Roaring Fork Dorms. Once everyone was fitted out with skis, boots, clothes, and the all-important lift tickets, the beginners went to "Little" Nell for their first lessons. The oldtimers were put into classes and went directly to Ajax Mountain. The snow this year was better than usual, but the warm weather brought not only bathing suit skiers, but an occasional avalanche. For the first time in several years, the more experienced skiers went on a forty minute hike and then enjoyed a long ski run down Little Annie's Basin. The night life consisted of movies, bowling, playing cards, and discussing injuries or new ski techniques. The group returned tired but safe, and tanned by the warm Colorado sun.

THIRD ROW: Prewitt, Wallas, S. Albers, Poindexter.

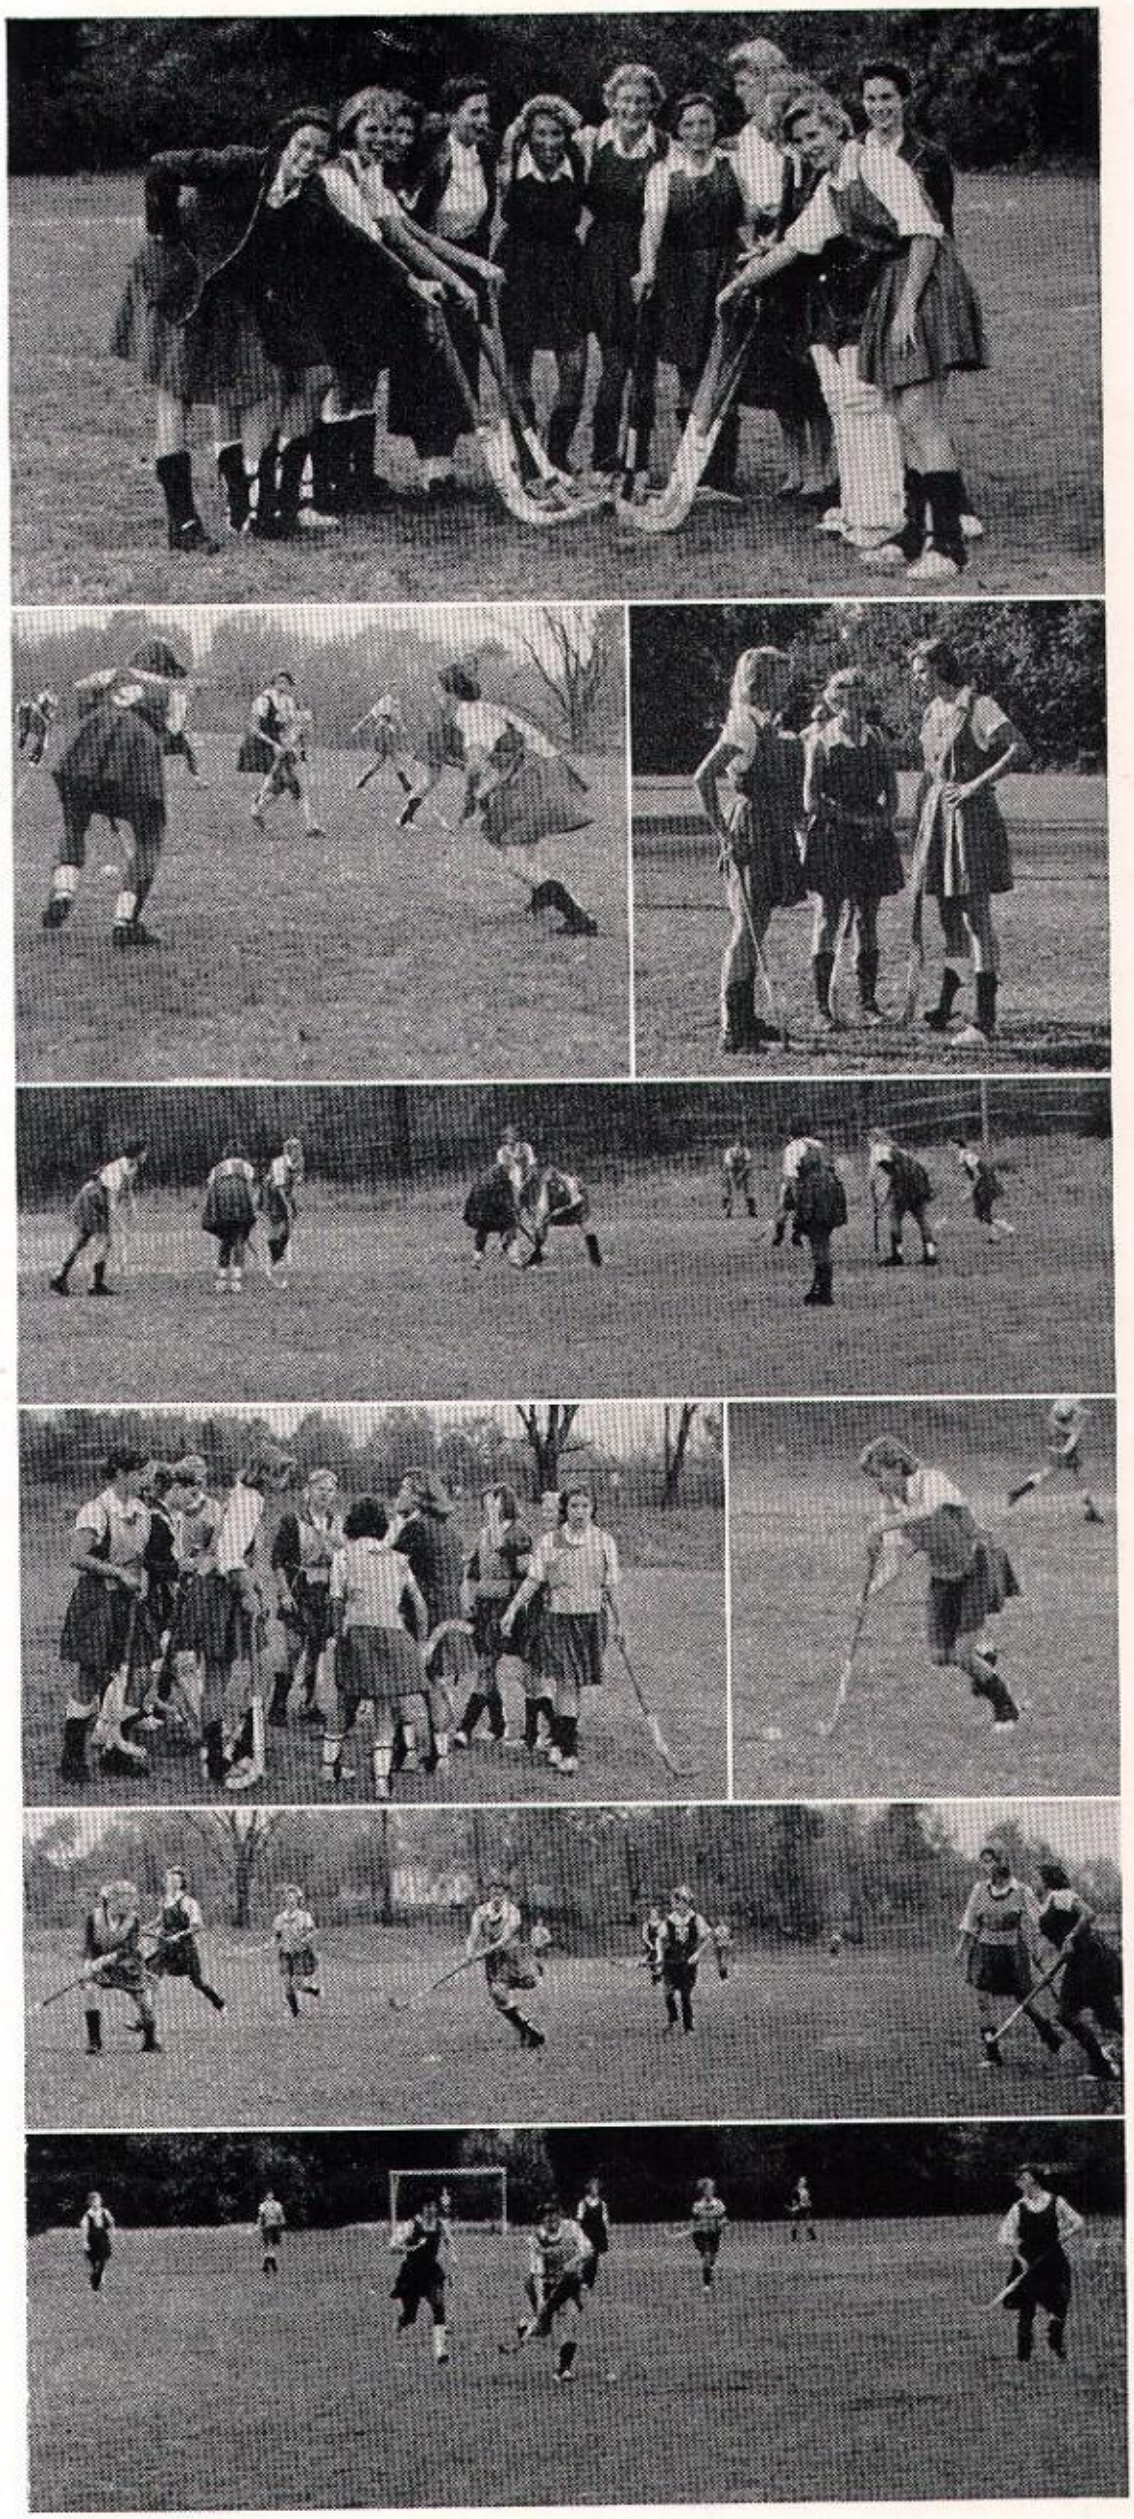
"B" Varsity Hockey

"A" Varsity Hockey

This year's "A" Varsity Hockey team was one of the best Burroughs has seen in many years. We completed our season with five wins and a moral victory.

The team began its season by defeating Principia 2-0, and Ladue, 5-2. In our match with the visiting Sunset Hill team from Kansas City, we played a beautiful team game and won 5-1. We worked especially hard on getting ready for the game against Mary Institute, particularly because the contest promised to be extremely close. JBS walked away with the game, however, 3 to 0, primarily because of the excellent coordination between our offense and defense players. We trampled City House in the following game, 5-0, but then came the really big one — our long awaited match against Villa. John Burroughs led at the half, 1-0, but Villa tied the score late in the second half. With Villa scared for the first time in probably seven years, the rest of the game became an agonizing struggle for control of the ball which was almost constantly at the opposition's goal cage. *But,* with *ten seconds* left in the game, a Villa wing connected with a stray pass and scored with a beautiful drive. The immediately

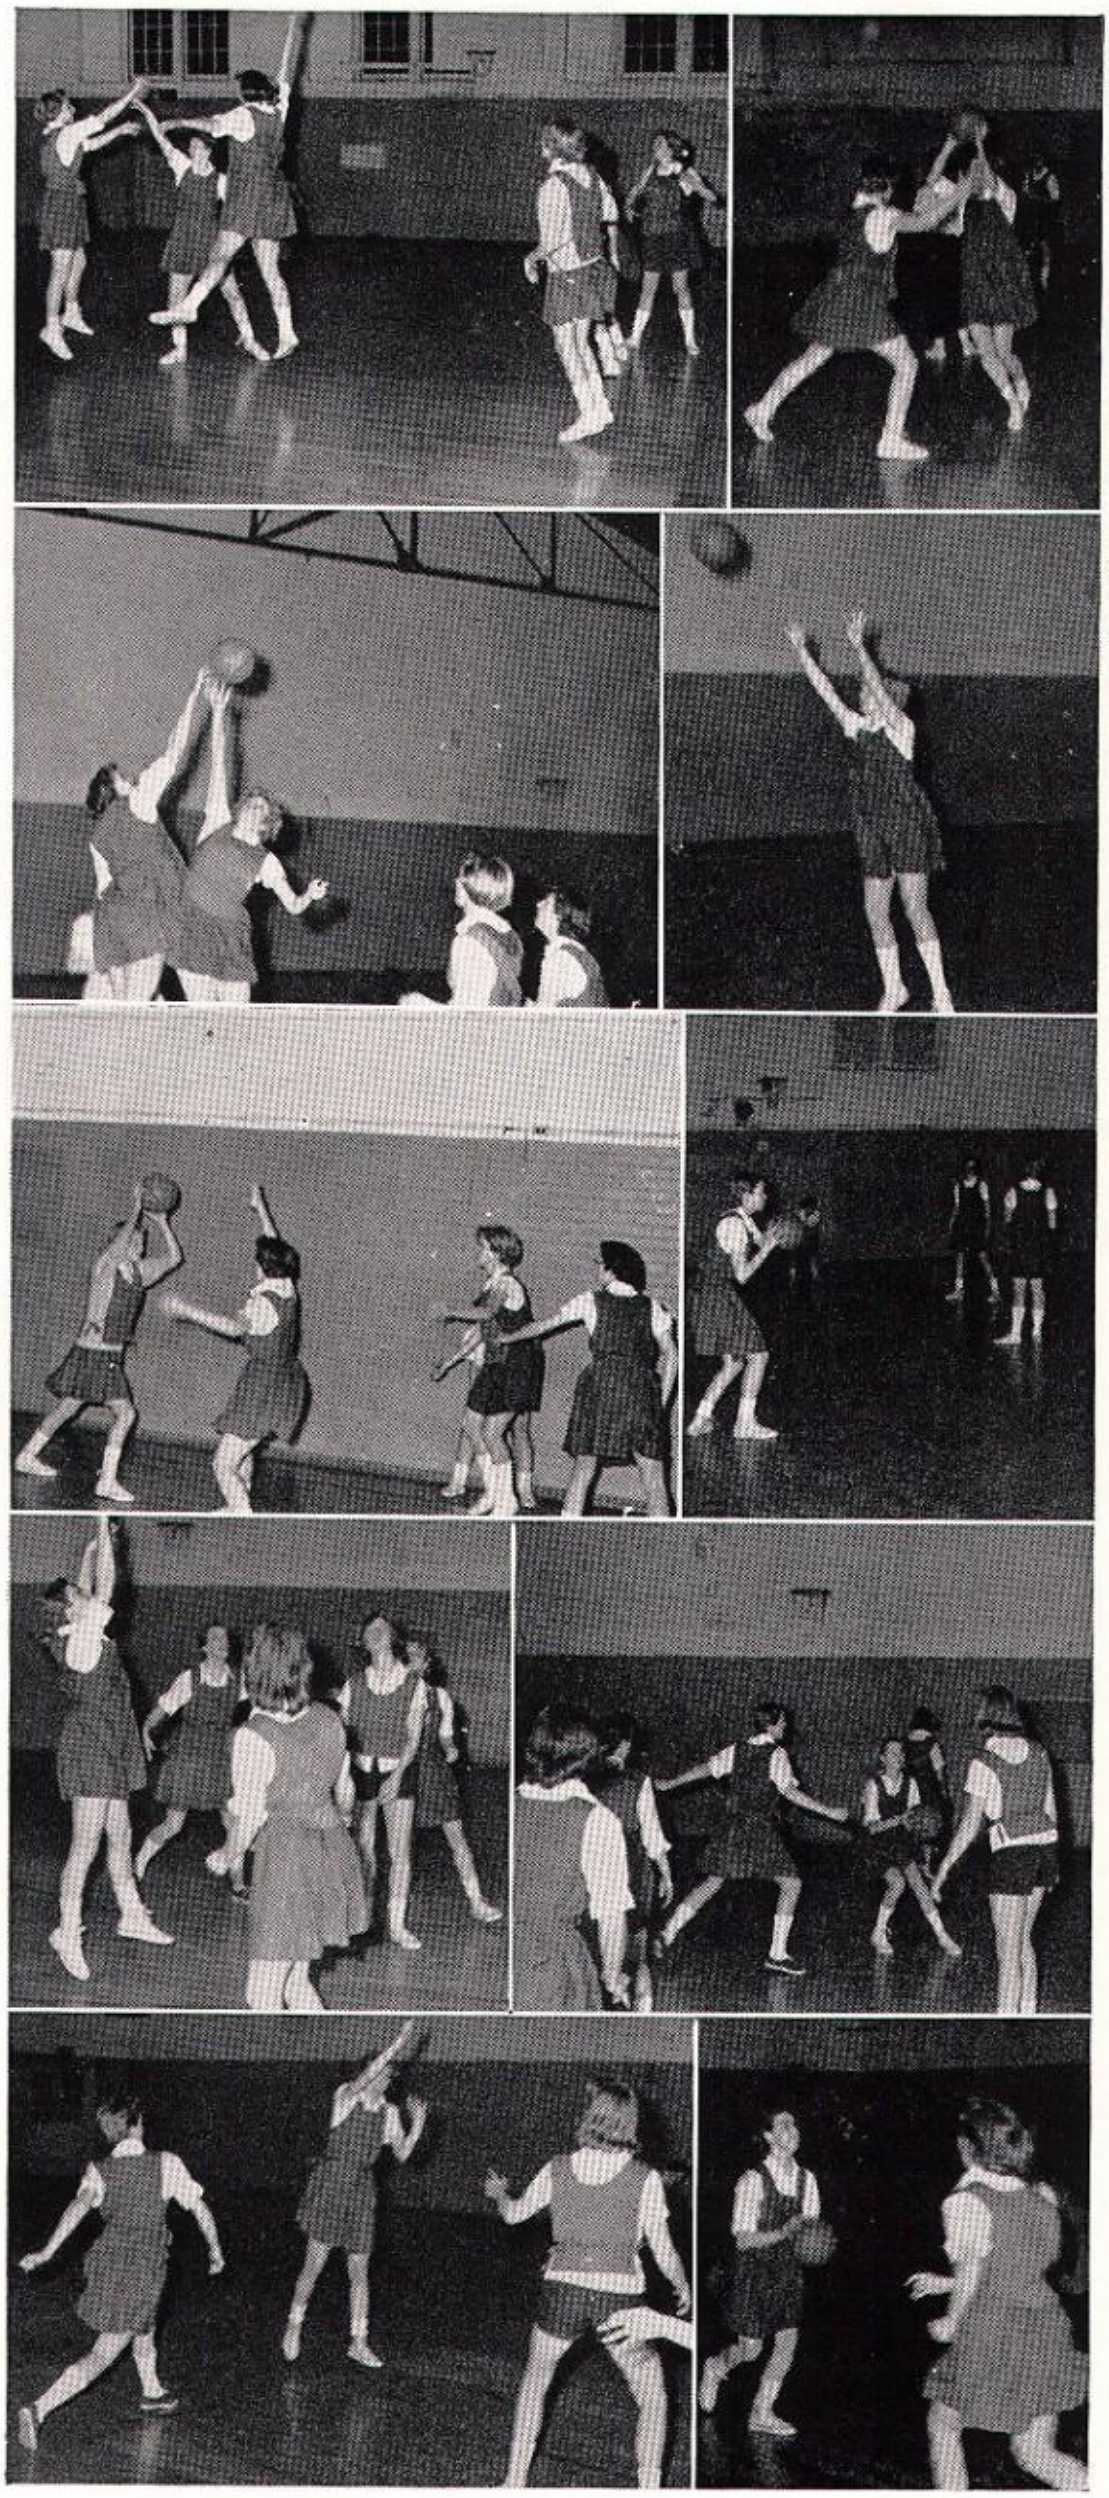
(Continued on page 139)



"B" Varsity Hockey

The "B" varsity hockey team had a fairly successful season, winning three games and losing two. The three wins were against Principia, Ladue, and City House, and were the first games of the season. The score of the Ladue game was 1-0, but the other two games against Prin and City House were more decisive, being 2-0 and 5-0 respectively. The final games were against Mary Institute and Villa Duchesne. Each of these games was very close; 2-3 against Mary I., and 4-5 against Villa. In both games the "B" varsity showed great improvement over the previous games. They displayed excellent ability and good sportsmanship. Miss Ruppert did a wonderful job of coaching the "B" varsity, and we all had a good season and a lot of fun.

"A" Varsity Basketball



With one game left to go in their season, the girls "A" varsity had a record of two wins and one loss. In the games against Ladue and Principia the "awesome eight" completely outplayed and outscored their opponents. The game with Villa brought a seventeen point defeat. Our only consolation was that we forced Villa to keep her first string in for the whole game which was unusual for Villa this season. As one team member said to another, "How can we win if they bless the ball?"

There will be only one of the present members of the "A" varsity returning next year, but with many excellent prospects coming up from the "B" team next year, the varsity is sure to have a fine season. For the understanding and coaching Miss Hammond has given us, "Dubie", "Sutt", "El-Bel", "Buns", "Kathie", "Deb", and "Lynch" would like to say thank you, and it's our prediction that the future "A" team will better our record.

"B" Varsity Basketball

Led on by their great enthusiasm and the wonderful coaching of Miss Mary Ruppert, the "B" Varsity team had a victorious, undefeated season. The secret to this success was the feeling of responsibility and unity that held the whole team together. Every player did her best to improve her own skills and ability to work smoothly with the other players. In the first two games the guards and forwards joined together to completely outplay and outscore Ladue and Principia. The game with Villa was closer, but the "B" Varsity pulled ahead in the second half and won 27 to 21. The last game, played against Mary Institute, was an exciting contest but hard on the players. A tight defense held the Burroughs forwards to very limited shooting, but our guards played just as hard and the final bell found JBS on top, 20-18.

The total number of points scored by our team during the season was 113, while our opponents scored

(Continued on page 139)

"A" Varsity Basketball

FRONT ROW: Sutter, Wehmiller, Roudebush, Lintzenich.
SECOND ROW: Dubinsky, Calkins, Ward, Bascom, Miss Hammond.

FRONT ROW: Helmholz, Samuels, Sutter, Rogers, Loeffel, Foote.
SECOND ROW: Hanser, Birge, Buckley, Wallas, S. Albers.

"B" Varsity Basketball

Twelfth Grade Girls Sports

This year the Senior girls took an enthusiastic part in class and varsity sports, and added spirit, ability, and victories to all these teams. In hockey, both the "A" and "B" class teams played several games, ending the season with one win and one loss against their greatest rival, Villa. The biggest game of the season was against the Senior boys, who won despite the girl's determined efforts, but at the expense of some bruised shin bones! The Phys. Ed. Department is going to have quite a time next year filling the gaps left in the JBS girl's teams by the loss of the Senior "Amazons"!

FRONT ROW: Lintzenich, Pitzman, Marsh, Birge, Jones, Sutherland, Comfort, Veatch.
SECOND ROW: Ward, Roudebush, Wells, Dean, Warren, Albers, Lovelace, Buckley.
THIRD ROW: Cunningham, Howard, Dubinsky, Wehmiller, Mill, Sutter, DuBois, MacBryde, Marbury.

FRONT ROW: Foote, Pitzman, Hunkins, Beam, Morris, Rench, Calkins.
SECOND ROW: Stroud, Kelley, Demerath, Adams, Loeffel, Ruhoff, Frielingsdorf
THIRD ROW: Adams, Rederer, Burkham, Poindexter, O'Reilly.
FOURTH ROW: Riley, Goodman, O'Leary, Lorenz, Haven, Aitken.

Three girls having won their medals, others their letters, and a large number of girls having made varsity teams, the junior girls were certainly outstanding in sports this year. By beating the "Amazons" on field day in tenth grade, our spirits were high when we entered our junior year. In fall hockey we were victorious, winning or tying all inter-school class games. Our "B" team captured the senior school hockey title by remaining undefeated. With our many skills and fine class spirit, we produced some hard-to-beat teams.

Eleventh Grade Girls Sports

Tenth Grade Girls Sports

The sophomore girls have actively and enthusiastically taken part in all sports. Everyone played on a class team, and many were on a varsity. Included in our program for the year was hockey, soccer, basketball, modern dance, baseball, track, tennis—and touch football.

Owing to fine coaching throughout the year, our skills and teamwork improved greatly. The class has a fine group of athletes, which, besides forming good class teams, will be the backbone of the future varsity teams.

FRONT ROW: Harford, Wotka, Bascom, Garrett, Prewitt, Rogers, Miller, DePew, S. Albers.
SECOND ROW: Mrs. Jacobson, Poindexter, Hanser, Gardner, Strassner, Hartman, Starkloff, Newman, Rarick.
THIRD ROW: Albrecht, Wilson, Wallas, Miller, Neilson, Broemmelsiek, Herman.

FIRST ROW: Young, Knight, Rogers, Bierman, Honig, S. Horner, Silverman, Costen, Mueller, Dempsey, Breckner, Scholz.
SECOND ROW: Stutsman, Hepler, Edwards, Hertslet, Rogers, Robins, Berger, Dixon, Helmholz, Hagemann, Zwick.
THIRD ROW: Mrs. Jacobson, Goodson, Leschen, Ruhoff, Wider, Hirth, Samuels, Hopewell, Sutter, Carlson, Spencer.

The ninth grade girls did pretty well this year in the field of sports, starting out with five girls on the varsity "B" hockey team. The class "A" hockey team finished the season undefeated in inter-school competition and the "B" with a one tie and one loss record. Many girls excelled in hockey, basketball, soccer, volleyball, modern dance, tennis, and basketball, everyone having her own special ability. For the first time we had a chance to meet new people of our own age from other schools, and to enjoy inter-school competition through varsities and class teams.

Ninth Grade Girls Sports

FRONT ROW: Stern, Hirsch, Becker, Frederickson, Harvey, Sprague, Oberbeck, Stein, Williamson, Captain, J. Lischer, K. Sale.

SECOND ROW: Graham, Browne, B. Smith, Van Hoefen, Watson, Cannady, Kennamore, Dutson, McCarthy.

THIRD ROW: Speigel, Leussler, Sprague, Latzer, Moore, Burkham, Rench, Hughes, Herrick.

Blue Team

Gold Team

FRONT ROW: Dube, Herbst, Bierman, Moseley, Westerman, Schmidt, Felker, Marshall, Buettner, Stamper, Garroway.

SECOND ROW: Harris, Petelik, Howe, Marbury, Mara, Hanks, Wallace, Stern.

THIRD ROW: Johnson, Kercher, M. Ward, McKee, Ford, Block, Clark, Strassner, Putzel.

Cheerleaders

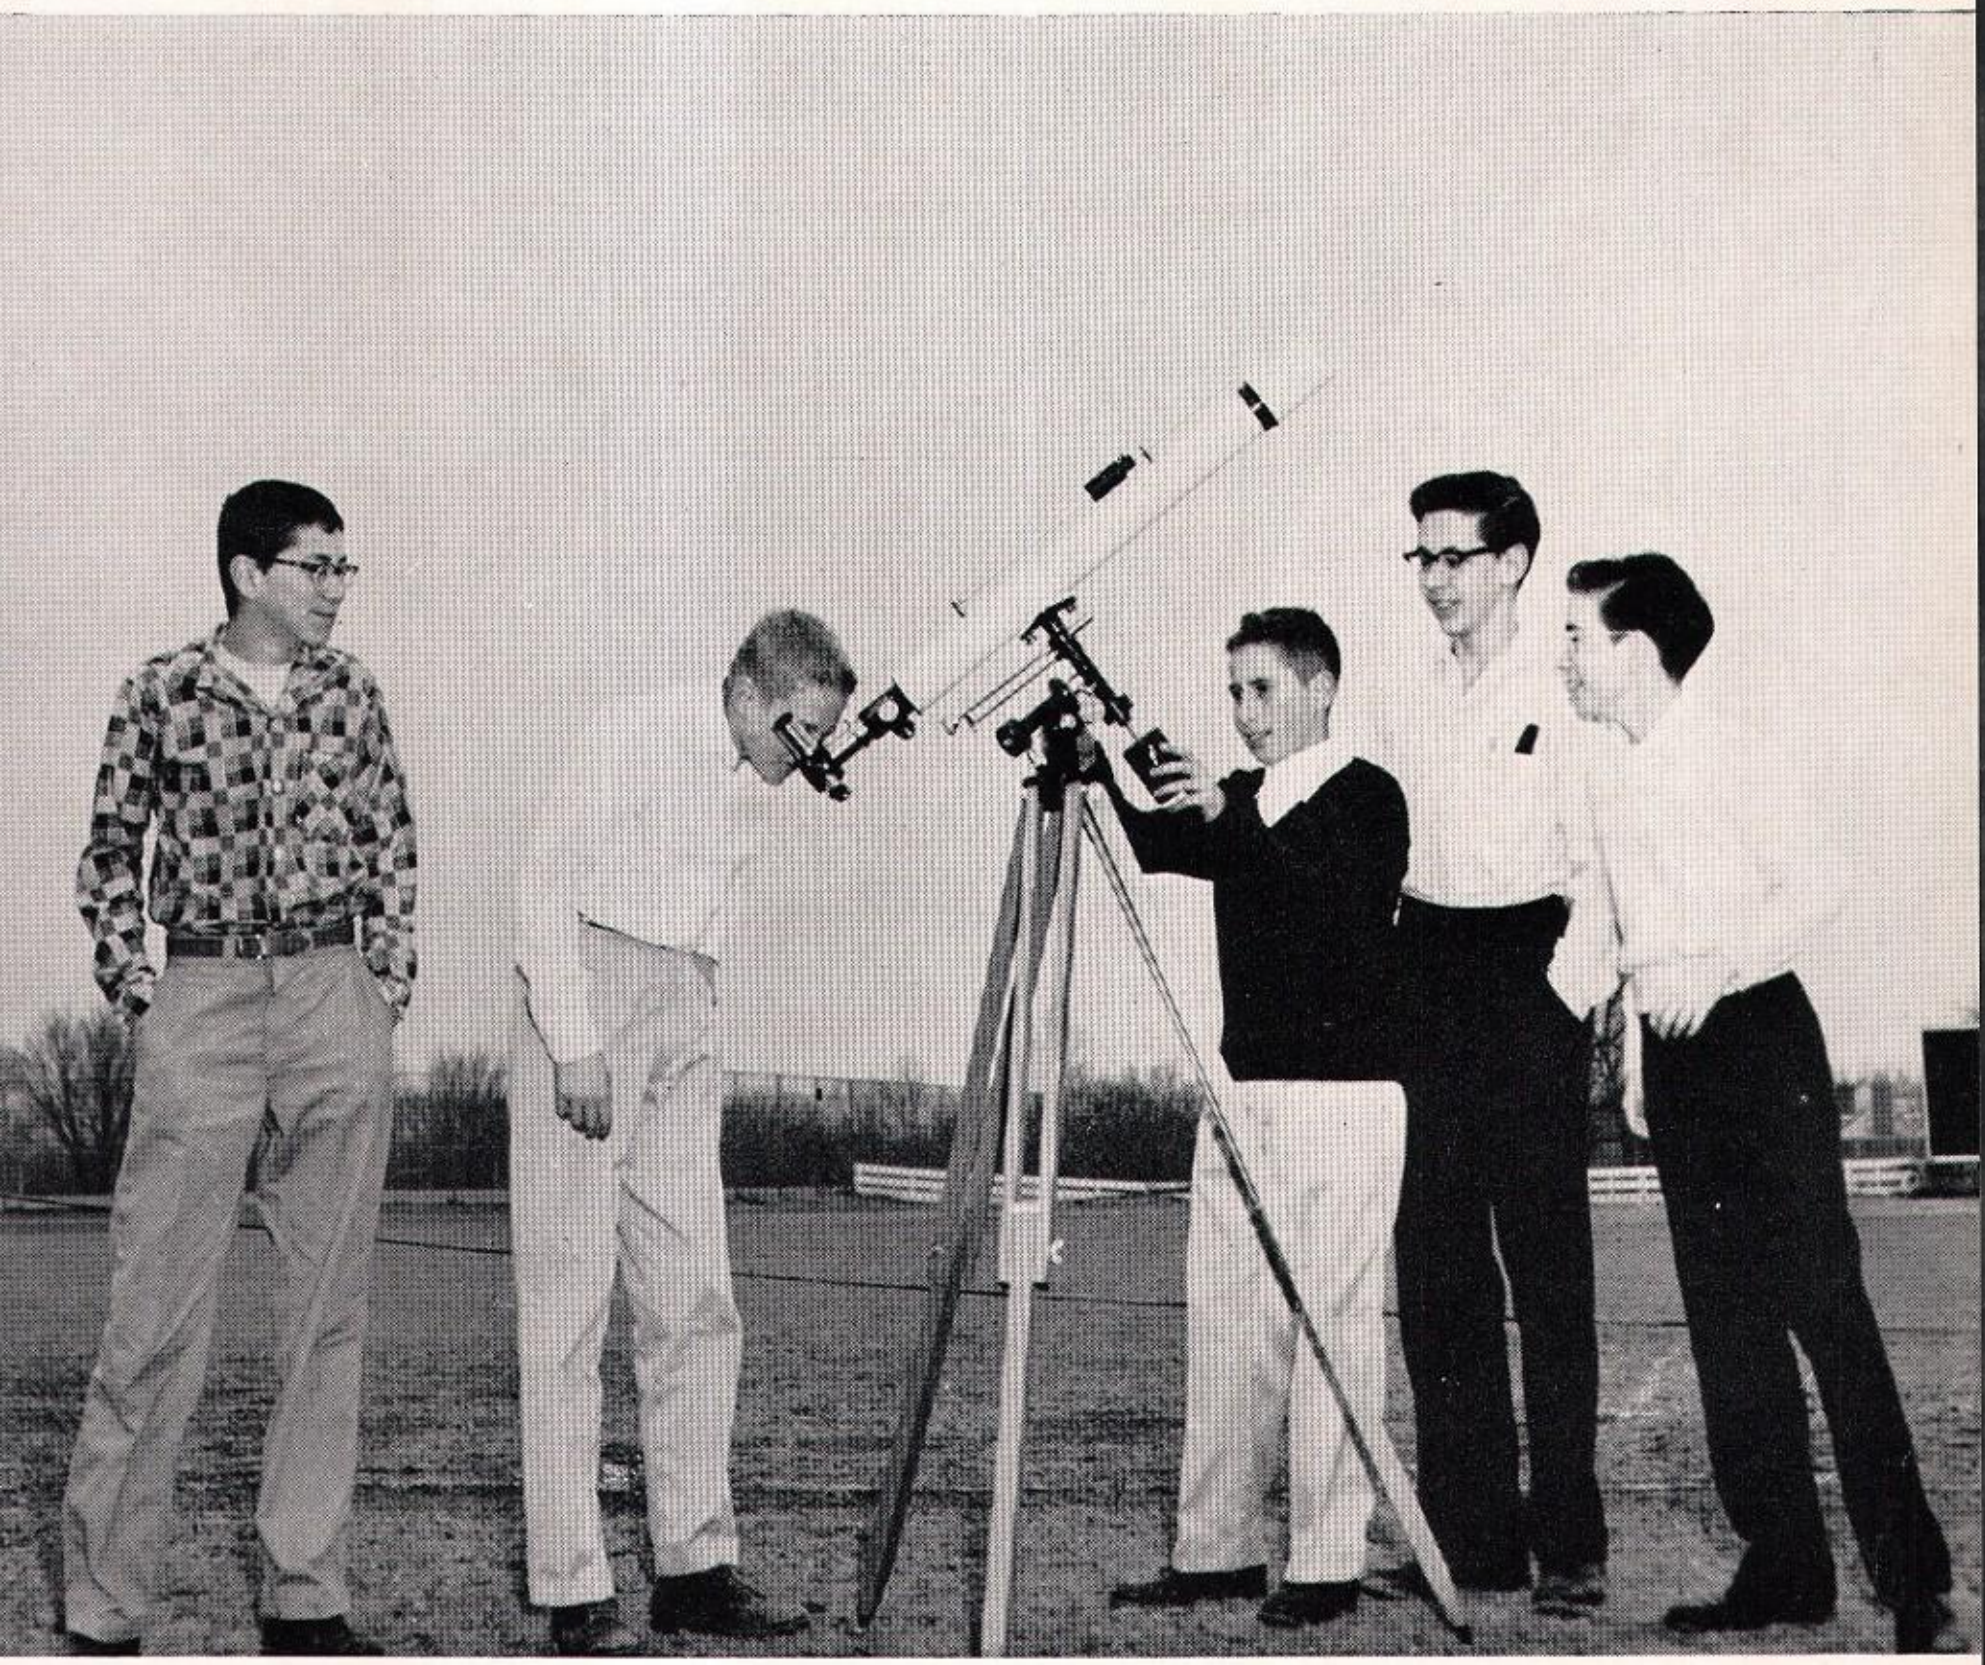
FRONT ROW: DePew, S. Albers, Lintzenich, Foote, K. Calkins, Veatch, Comfort.

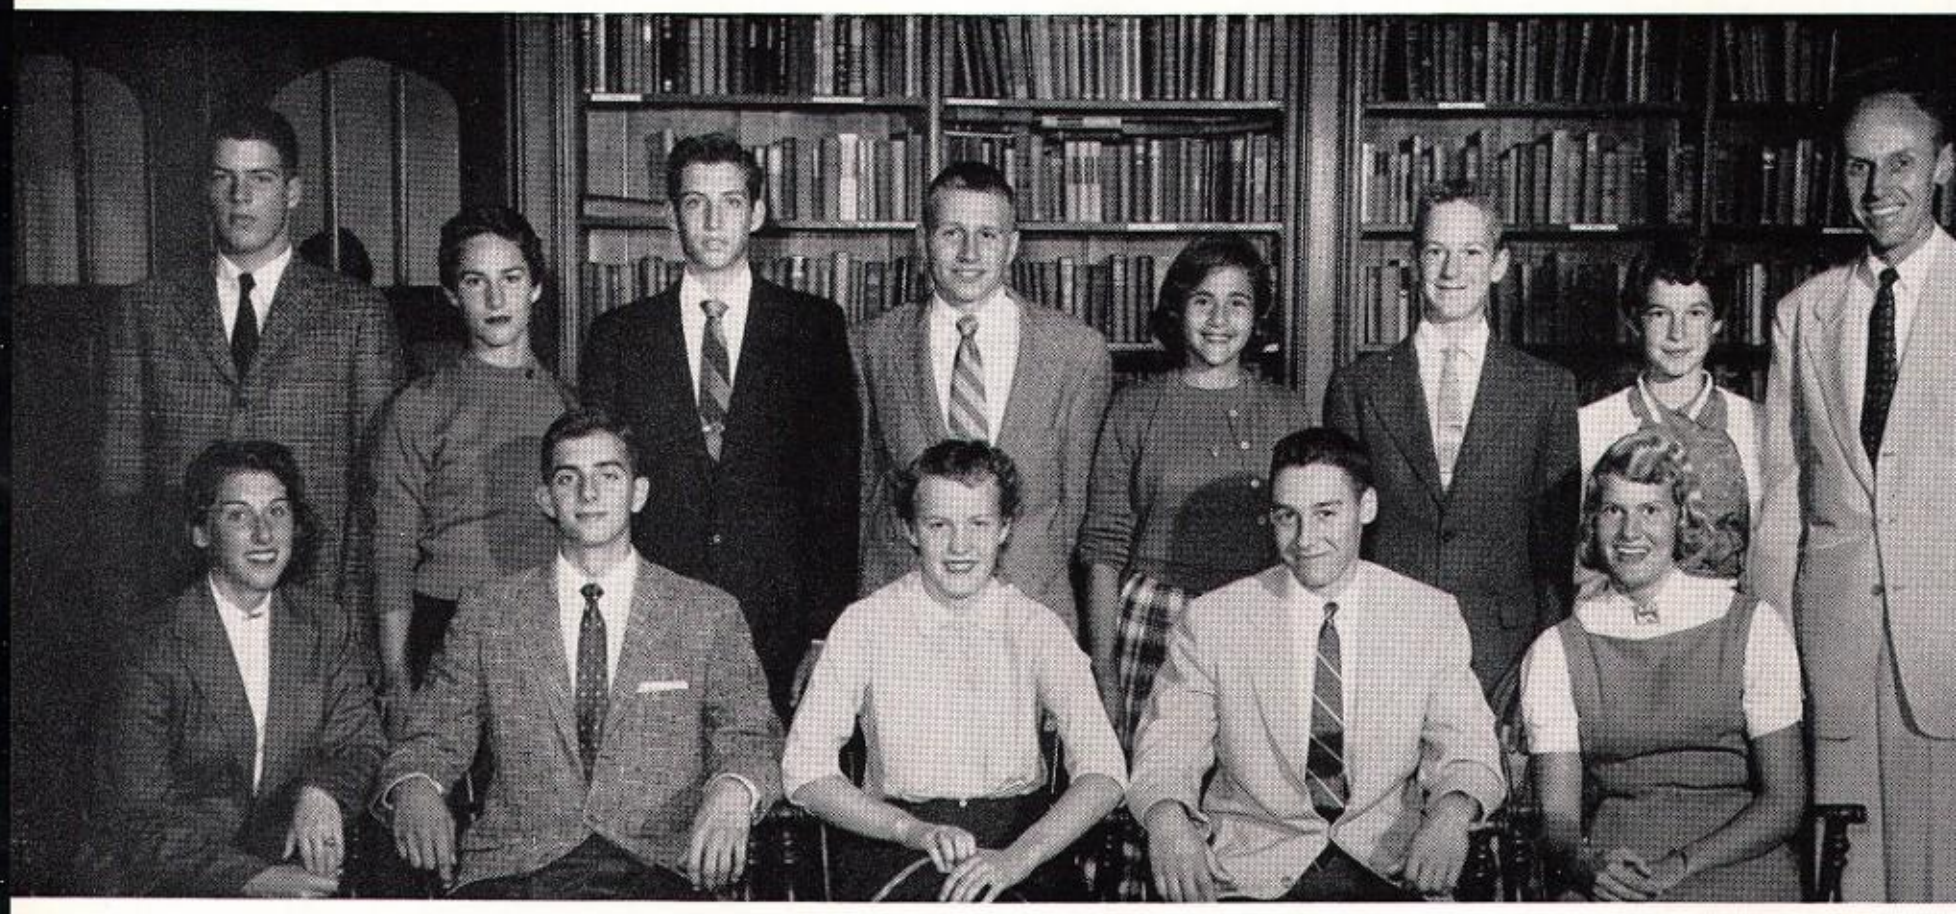
The cheerleaders, under the guidance of Mrs. Jacobson and their captain Pat Veatch, had a very successful year. Besides adding spirit to all the games, they helped plan the Pep Assemblies and the Bonfire. They worked together as a group and spent a great deal of time perfecting their cheers.

Activities

" . . the mind is restless, turbulent, strong, and unyielding . . . as difficult to subdue as the wind."

— *Bhagavad-Gita*





FRONT ROW: L. Dubinsky, Armstrong, J. Lovelace, Putzel, S. Roudebush.
SECOND ROW: G. Roudebush, E. Rogers, T. Croft, Norling, Berger, Lowry, S. Johnson, Mr. Hinrichs.

Student Council

The Student Council of 1956-1957 under the leadership of President Jeanie Lovelace had a very successful year. In the fall it strengthened the study hall section of the Rules of Conduct by inserting a no talking rule; it also added a phrase on safe driving to the section on the grounds. For the first time in many years, there was lively discussion before the passage of the Rules.

Later, in working on the annual charity drive, the Council decided to give the majority of the money to the United Fund, and to divide the remainder between such organizations as the Cancer Foundation and the Tuberculosis Society. The chairmen of the charity drive were Susan Roudebush and Linda Dubinsky.

Because of the great financial need of the *Review*, *World*, Athletic Council, and Dramatics Club, the Council voted to increase the Student Budget.

The interest this year in the Student Council was very pleasing. Visitors from every grade appeared regularly at the Tuesday and Thursday meetings, and the increased interest in Student Government was evidenced by the good conduct in the Study Hall.

FRONT ROW: Miss Gilbert, Thomas, Wehmiller, Hobbs, Greensfelder.
SECOND ROW: Kieffer, Wotka.

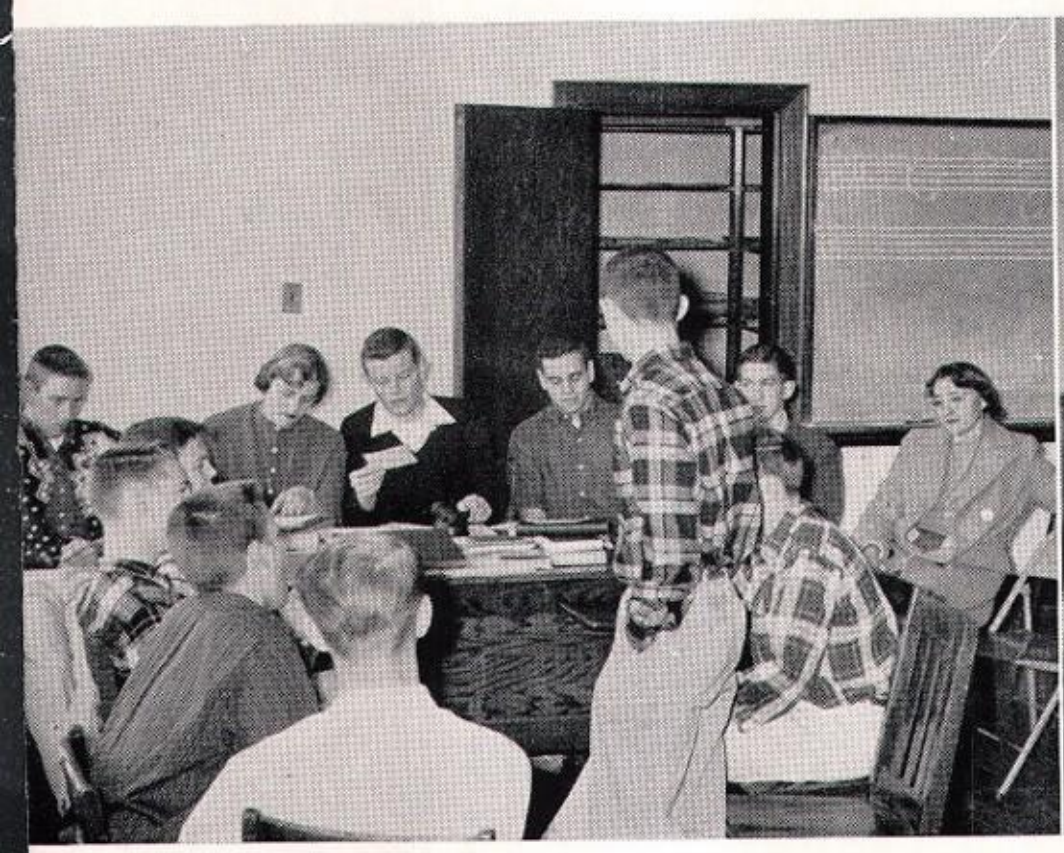
Student Court

The Student Court, which is the judicial branch of student government, was very active this year, and handled the many cases referred to it by citizens of the school. The spring elections found Don Hobbs as chief justice, and Stephie Wotka as bailiff. The Court then elected from its own ranks Andy Greensfelder as chief justice pro-tem and clerk, and Ellie Wehmiller as secretary. The other justices were Gordon Thomas and Dave Kieffer. Miss Gilbert served as the Court's faculty advisor.

The Court enforced rules and gave sentences more severe than those of previous years. It abolished the writing of compositions as a sentence, feeling it was an insignificant penalty. For certain offenses, it removed citizens from unsupervised study halls, held Saturday sessions for chronic study hall offenders, sentenced students to clearing tables in the lunchroom for longer periods, and brought students out to school to clean up after such school functions as the Christmas Pageant. Most of the cases came from the main study hall.

The Court also changed several of its rules of procedure, the most important of these being that no charges submitted to the Court can be dropped. This was to avoid wasting time at Court sessions, and to encourage citizens to regard the Court seriously. Also passed by the Assembly was a rule that the administrator in the main study hall may report violators on his signature alone.

The Court was proud that this year saw a large number of spectators at Court trials. With this student interest, and good, effective sentences, the Court was a much improved and more powerful body this year.

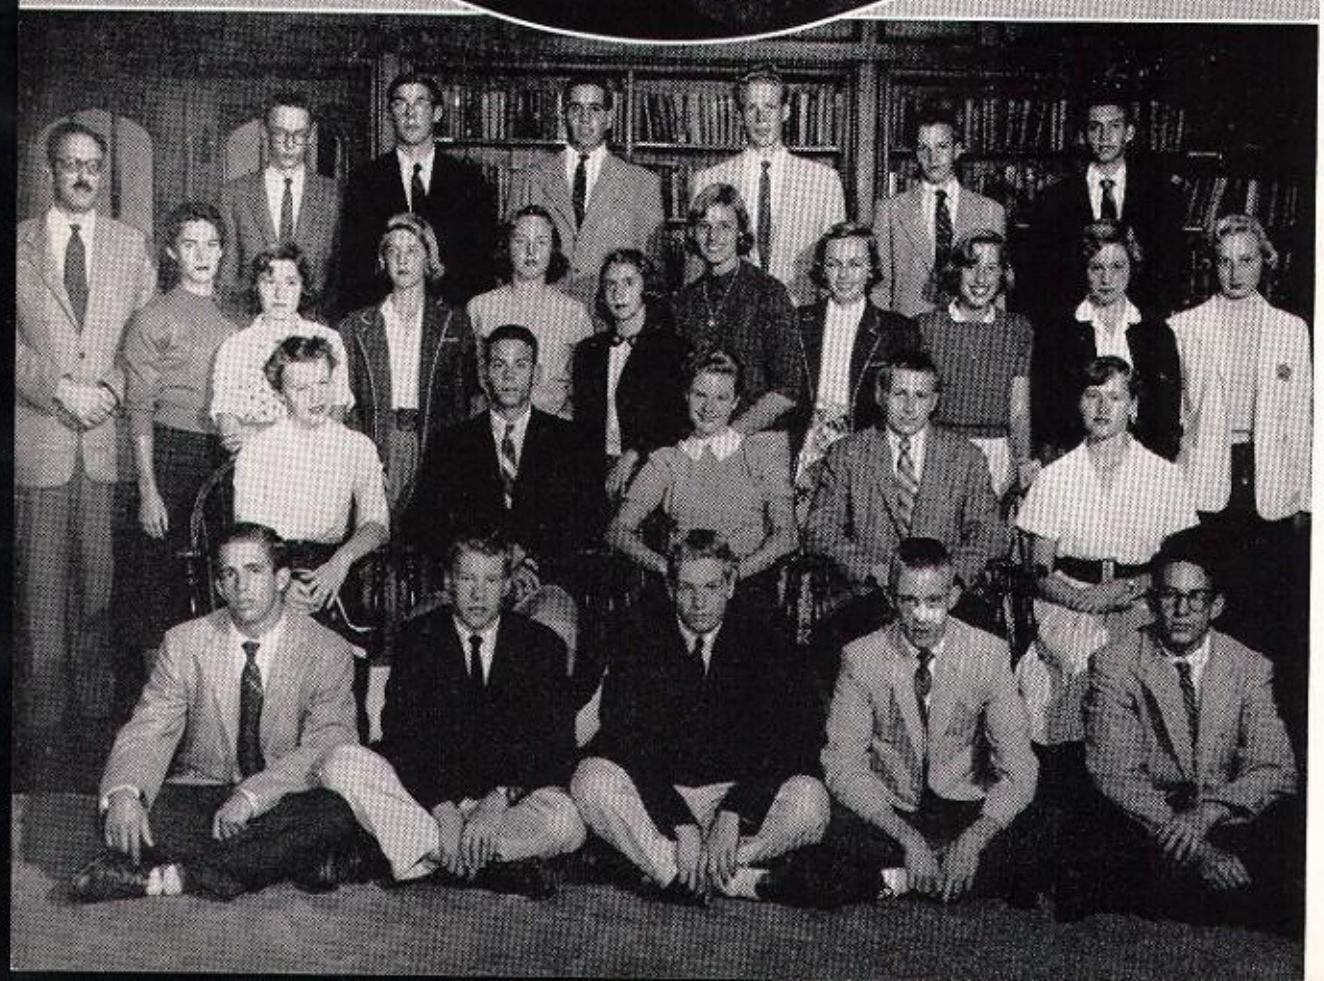


Athletic Council

The Athletic Council, under the direction of Mr. McConnell, was composed of eight members elected from the advisories of ninth through twelfth grades. The purpose of the Council was to raise money through concessions for Athletic trips and equipment, and also to help plan field day and the presentation of athletic awards. This year's members were Neila Helmholz, Gibby Myers, Dede Bascom, Brig Buettner, Pat Adams, Bill Bascom, Katie Wells, and Tom Wotka.

Steering Committee

The members of the Steering Committee are appointed annually by the Student Council. Each week this committee prepares a schedule of games, assemblies, and other happenings, which is posted in the various rooms throughout the school. This year Philip Meyer, Kate Haven, and Jeanne Albrecht served on the committee.



World

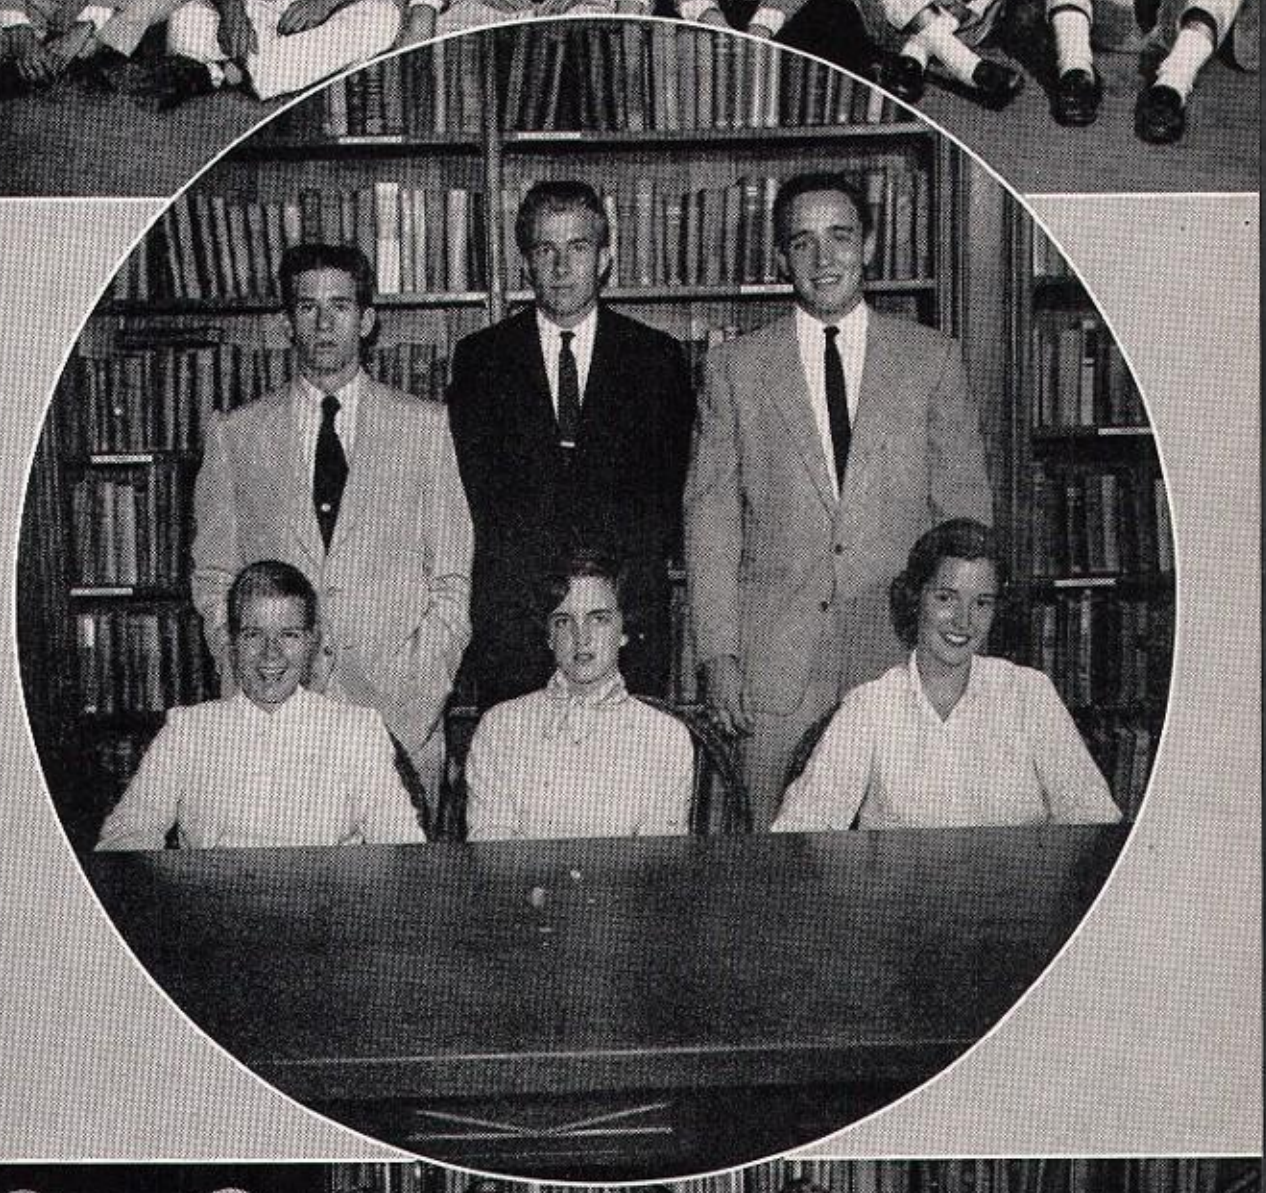
The staff of the *World*, the official school newspaper, produced many excellent issues under the faculty direction of Mr. Parry. Of course, nothing could have been done without the editors, Christopher Gale and Anne Frielingsdorf. This year, the *World* had a staff of thirty-two students from the tenth, eleventh, and twelfth grades, who contributed to the production of a paper containing editorials, alumni news, "Merely Idle Chatter", and many fine pictures.

Yearbook

The whole Yearbook staff has worked hard to produce this 1957 book and to have it ready for distribution by Field Day. We have tried to increase the number of pictures in the book and to make it as attractive a publication as possible. The staff's work was led by the heads of each department who were Jane Sutter, writing; Anne Marbury, features; Linda Dubinsky, production; Ted Armstrong, business; and Grey Jones, photography.

Social Committee

Each year the Social Committee is chosen by the Student Council to plan and give the Football Dance, as well as certain other social functions. This year the committee was under the direction of David Smith and Anne Marbury. The entire student body is grateful to this year's Social Committee for the many enjoyable events they put on.

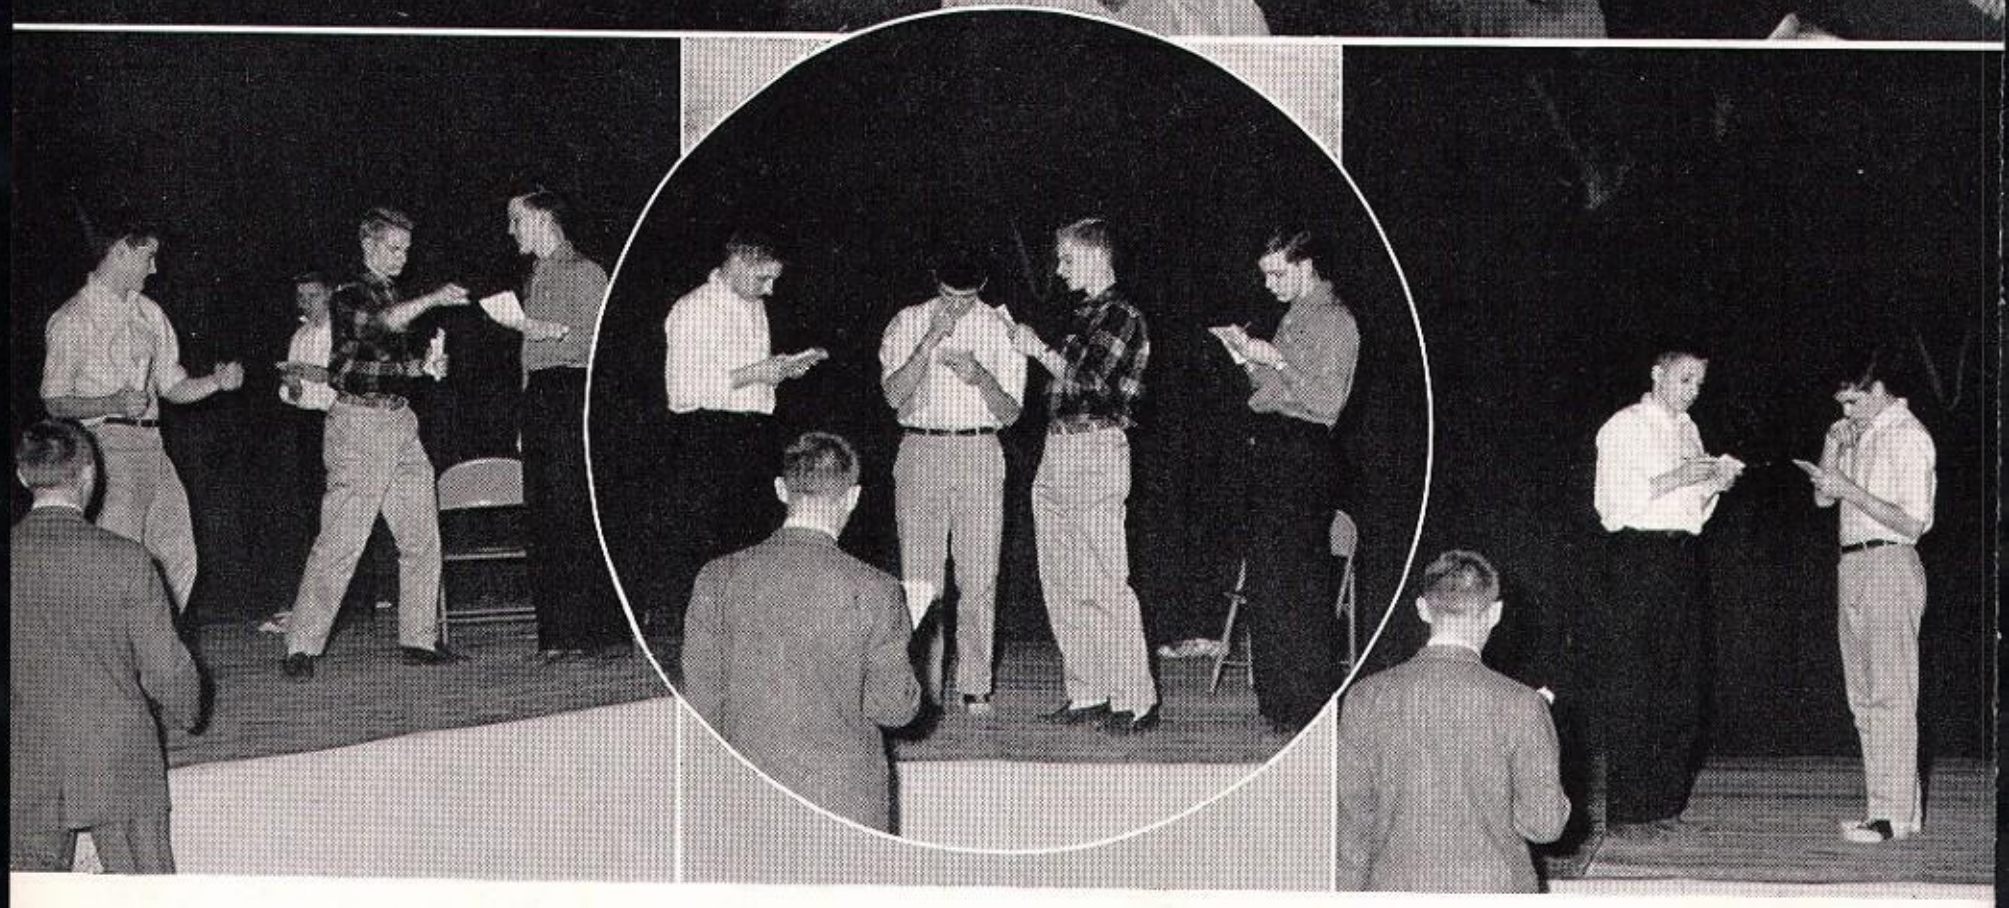


Review

The *Review* board reads and discusses a number of compositions which are sent to them by the English department. Those that it feels are outstanding are used in one of the three issues of the *Review* that are published each year. The 1956-57 editors of the *Review* were Bill Connett and Susan Roudebush, and the faculty advisor was Miss Damon.

Dramatics

FRONT ROW: Hunkins, Calkins, Foote, Byars, Birge, Marbury, Mill, MacBryde, Ryan, O'Leary.
SECOND ROW: Veatch, Wells, Comfort, Stroud, Rederer, Morris, Jones, Newman, Hanser.
THIRD ROW: Cunningham, Wunderlich, Croft, Leussler, Dube, Norling, Bricker.
FOURTH ROW: Roudebush, Buettner, Reiner, H. Dubinsky, Mr. Arnold.



Theater completely in the round was introduced this year for the first time with the Dramatics Club's presentation of "The Heiress", under the direction of Mr. Wayne Arnold. The stage was set in the middle of the assembly gymnasium with the audience seated on all four sides, permitting the spectator to become more a part of the story. This production was extremely successful, and the Dramatic Club is to be commended for putting on such a difficult show. Kay Comfort, John Leussler, Jean MacBryde, and Terry Croft had the leads in "The Heiress."

The spring play was Molire's work, "Le Bourgeois Gentilhomme" or "The Would-be-gentleman", requiring a large cast headed by Burt Wunderlich, Mary Marsh, Terry Croft, Katie Wells, Kenny Biddle, and Dave Bricker

The tenth-graders enjoyed giving "Charm" in the early spring. Sue Hanser, Linda Newman, George Roudebush, and Doug Reiner played the principal parts in this light comedy.

Glee Club

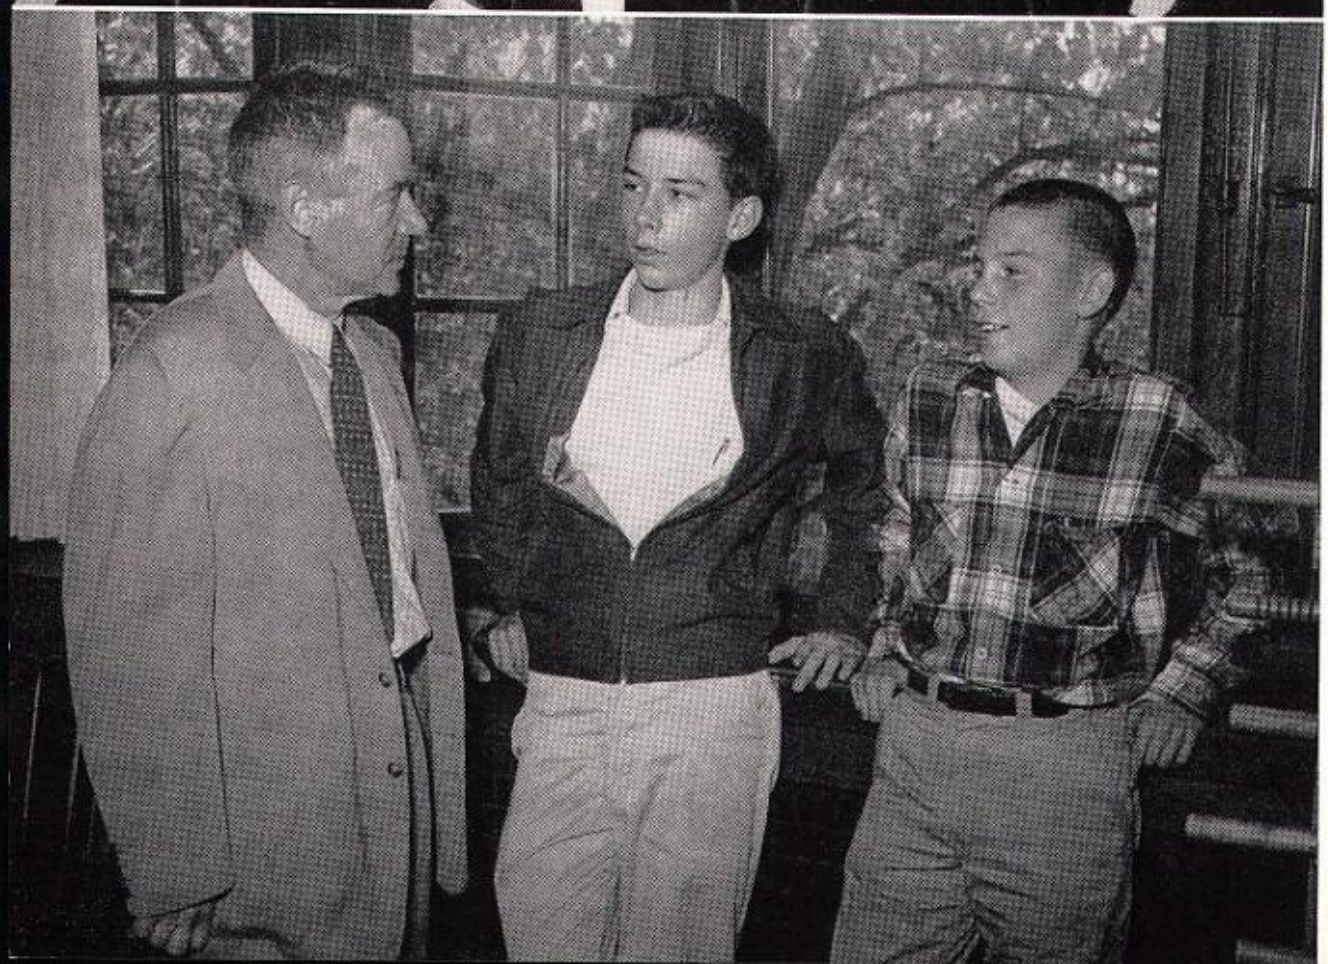
Junior Chorus

Orchestra

This year's orchestra demonstrated its great talent in several successful performances, including the Christmas pageant. Under the wonderful guidance of Mr. Weinrich, each student gained wide experience in playing in harmony as a group, as well as developing more skill on his own instrument. To get more practice, the woodwinds and the strings sometimes met in separate groups. When each group had perfected its part, they combined to form one of the best Burroughs orchestras in many years.

Assembly Committee

The Assembly Planning Committee of 1956-1957, under the excellent leadership of Fred Wenzel and Caroline Pitzman, did a fine job of planning many interesting and educational assemblies. During its weekly meetings, the committee planned assemblies weeks in advance. Not only were there movies and speakers, but there were also assemblies utilizing the talents of John Burroughs students and teachers.



Photography Club

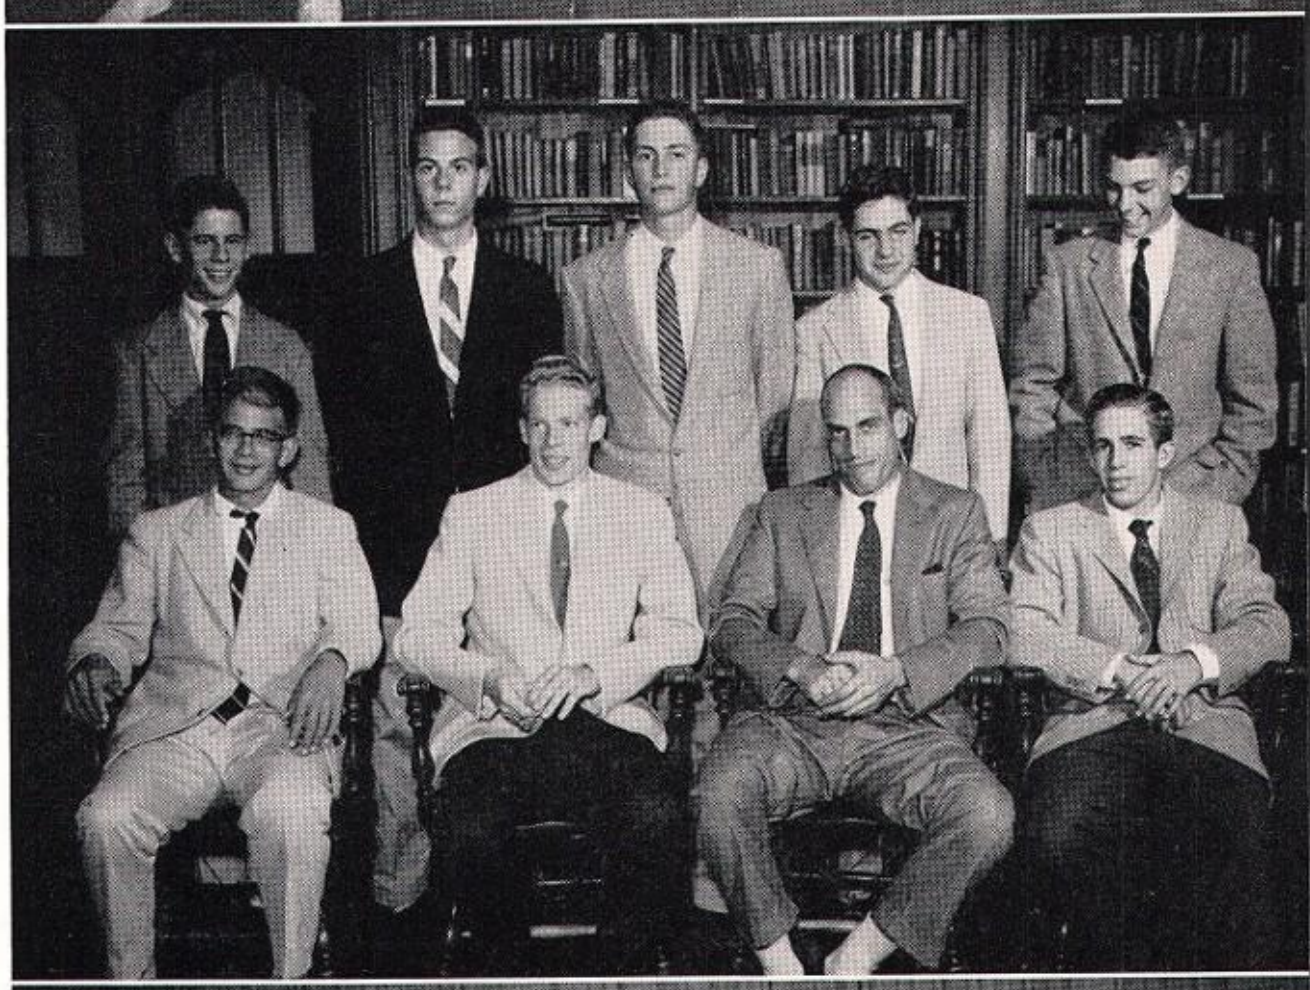
The Photography Club, under the expert direction of Dr. Sibley, was composed of only two students. They were freshman Dave Millar and junior Mahlon Hale. Since the club was so small, the members were able to accomplish a lot. For the main part of the year the members worked on improving techniques of enlarging and the methods of 35 millimeter photography.

Rifle Club

Under the direction of Miss Ruppert and Mr. Koprivica, the members of the Rifle Club had a fine year. Many of the beginners quickly completed the first qualifications in the National Rifle Association's junior program, while some of the "old pros" earned the top awards. Everyone had fun while doing his share to make America a "Nation of Riflemen."

Science Club

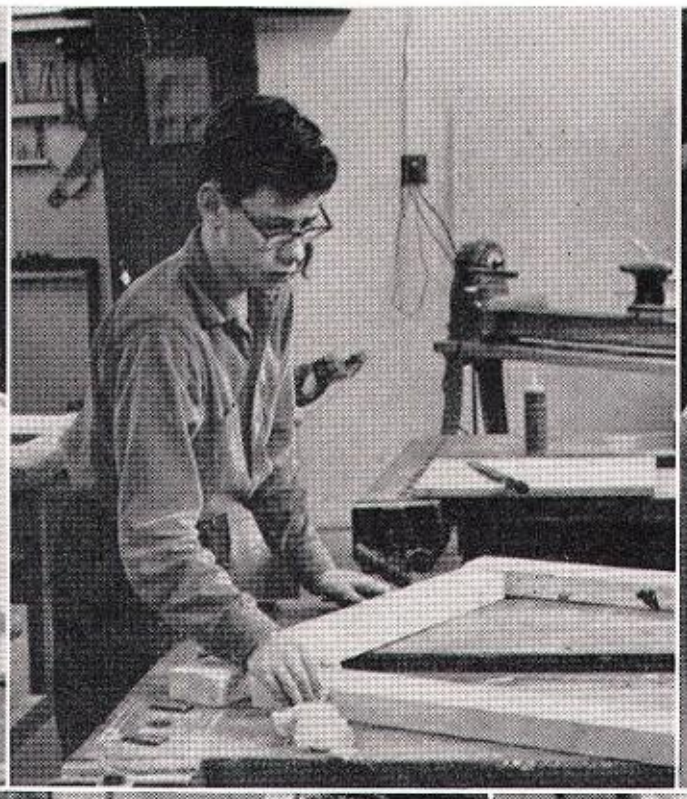
This year the Science Club is going to finish the cyclotron and begin to test it. The vacuum system has been completely disassembled and is now being put back together. The oscillator is practically ready to be used, and the rest of the equipment is all finished. If the testing is finished before the end of the school year, the group intends to put the cyclotron to use in the investigation of the composition of various materials.

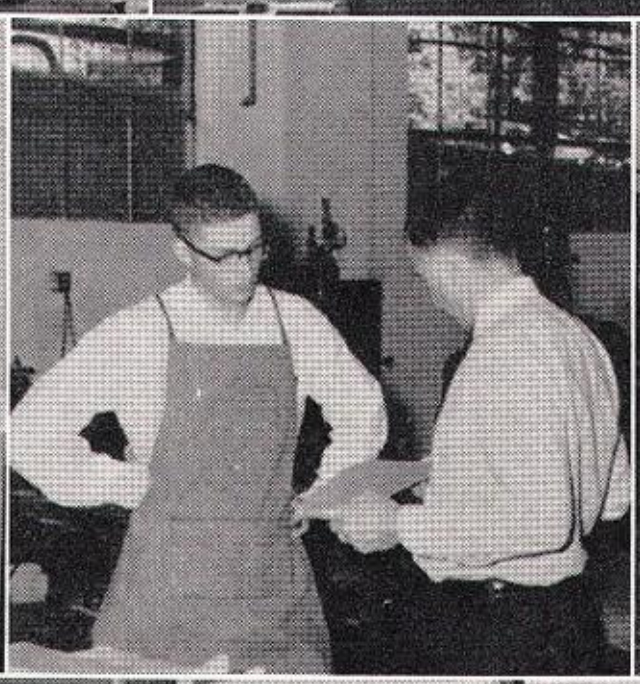


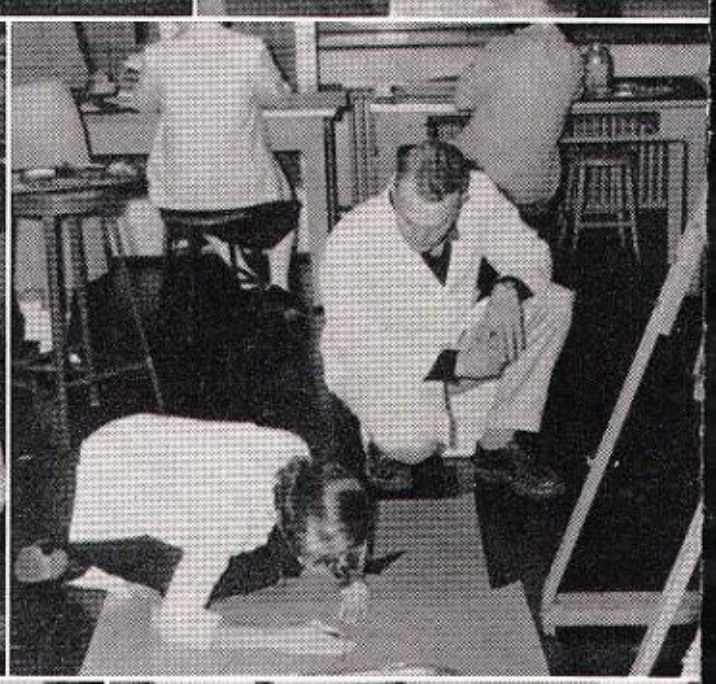
Dance Club

The Dance Club has come to be considered an important part of the school activities during its past three years of existence. The Dance Club is considered a varsity even though it does not compete with other schools. It has, however, participated in many out-of-school activities such as Dance Symposiums and workshops at Principia, performances at the Wednesday Club of Saint Louis, and in spring concerts. Under the able assistance and guidance of Mrs. Jacobson, its organizer, the future years of the Dance Club at J. B. S. look bright and prosperous.

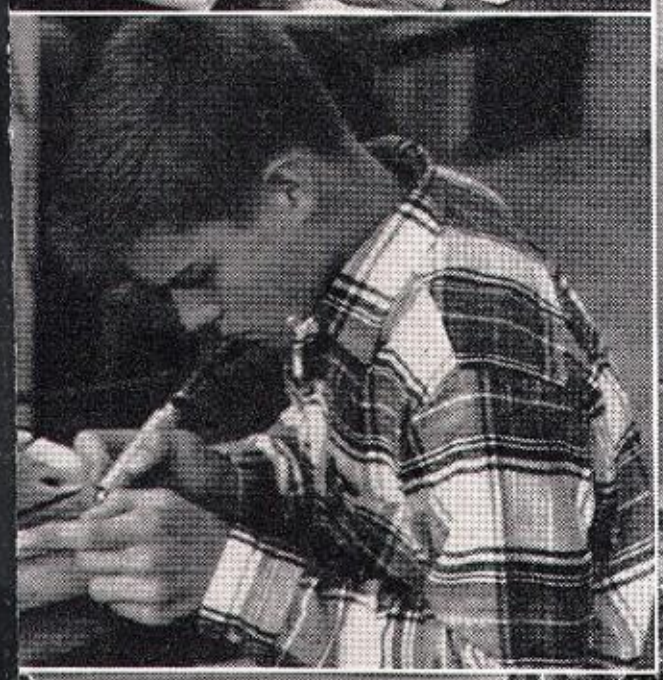
The Arts

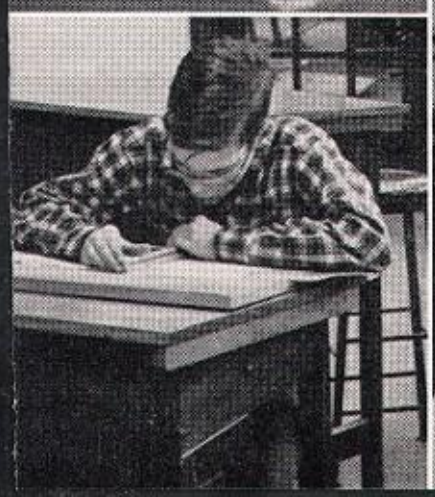






The Arts





Christmas Pageant

Ever changing, yet ever constant as Christmas itself, the Pageant came to Burroughs on December twenty-first this year. All that has made it a shining star in the past holiday celebrations was there as usual: the expectancy of the audience; old friends and new ones; and the cries of greeting as old grads held reunion. The processional chorus was led by ushers Sally Mill, Bill Connett, John Cotsworth, and Anne Marbury, and the narrators, Katie Wells and Tom Rosaaen who retold the ancient Christmas story. Junior and Senior choruses sang "I Hear Along Our Street", "Lo, How a Rose", "Alleluia" by Bach, "Alleluia, Christ is Born", "Lullaby on Christmas Eve" and "The Shepherds' Story"; and soon, guided by the book boys and girls, Tim Croft, Susan Becker, Norma Graham, Janie Stamper, Barry Massie, Mike Levy, and Tom Toney, everyone joined in singing traditional Christmas carols.

Pat Veatch sang "Mary's Lullaby" in a clear and beautiful voice; there was a profound silence and feeling of expectancy as the curtains fell back to reveal the nativity scene, designed this year by Mary O'Reilly. Approving murmurs arose as Mary and Joseph, portrayed by Caroline Pitzman and Grey Jones; the kings, Parry Norling and Chris Gale; and the shepherds, Fred Wenzel and Archer O'Reilly were recognized by the audience. The curtains closed, the recessional began, and another Christmas pageant became a memory.

Many people contributed to the smooth operation of the Pageant, particularly Ann Sutherland and Joel Harris, the co-chairmen of the whole Pageant. Without Mr. Weinrich, Mr. Koprivica, Mr. Dreher, Mr. Wehmer, Mr. Arnold, Mrs. Murphy, the home economics department, and Bert Wunderlich's help on lighting, the program could not have been as successful, nor as inspiring a beginning to the Christmas holidays.

The Prom

The Prom was beautiful. Its theme was Roman Holiday which was carried out through the use of huge, pastel-colored, flower-entwined Ionic columns which were placed around the gym behind a three foot stone wall. The space left between the midnight blue background curtain, which was covered with white sparkling stars, and the stone wall, was filled with a profusion of multicolored roses, carnations, lilacs, apple blossoms, gladiolas, and Japanese iris, interspersed with ivy and evergreen branches. Two statues were placed on the south wall, but the highlight of the decorations was a bronze fountain on the north wall which continuously spouted water, for which spot lights provided a continual change of color.

THROUGH THESE DOORS...

an exciting world of opportunity

Copy

Within your vision of tomorrow lies a world of adventure and challenge. Many astute young men and women now preparing to meet the challenge may find the way through such doors as these.

As dynamic forces in the nation's economy, both Advertising and Public Relations must have people who appreciate the eventual impact their thoughts and acts can have on business life.

If your interest lies in these fields, Frank Block Associates will welcome the chance to talk with you when your plans begin to crystallize.

HUNTER BACON

In the moisture-proof, light-proof red "book" package!

Everybody knows that light and air are no friends of bacon. So the Hunter folks did something about it! They put their lean, meaty bacon in a handy "book" package that seals *in* the delicious fresh flavor —keeps *out* light, air and moisture. Which means you get fresh, firm, flavorful bacon—the bacon you love best—every time you buy Hunter Sliced Bacon in the bright red "book" package. Get some tomorrow.

HUNTER PACKING COMPANY
East St. Louis, Illinois

Always Heard

Albers: "I really was sick"

Armstrong: "Let's be realistic"

Baird: "Come over to my house for dinner"

Behrens: Saying something nice

Biddle: "Now, if James Dean were —"

Birge: giving the right answers

Bowling: laughing

Bricker: "If you guys had supported me we would have had an undefeated season"

Buckley: "Let's go to Gio's"

Byars: "Don't forget to wash your feet"

Comfort: "Skiing in Aspen is joy and is fun"

Connett: "About this party—"

Cotsworth: "Do you want to come to the Gasconades with us, Mike?"

B. Cunningham: "Do you see what I mean?"

E. Cunningham: "Kiddly, did I ever tell you the story—"

Dean: "Oh, you all"

Dubinsky: "Oh, come on you all, try"

DuBois: "My affairs are in the car, Mr. Sprague"

Gale: "Mr. Eiseman, I have two questions"

Giessow: "Does anyone want to go out to the airport with me?"

Greensfelder: "We will have an undefeated basketball season"

Harris: "If you're not careful I'll become obnoxious"

Harrison: "It's getting sliced off"

Hertslet: "He's not dirty"

Hobbs: "Let's see what crops up"

Horner: "Let's went"

Howard: "Oh, you all please be quiet"

G. Jones: "Gawkgque"

C. Jones: Making jungle noises

Knight: Never

Liebson: Always

Lintzenich: "Give me a B"

Lovelace: "I'll wear a sweater tomorrow"

MacBryde: "Let's all study during open period"

Marbury: "We'll do it my way"

Marsh: "I never could park—hmm"

McCarthy: "Sorry, boys, I'd love to go but—"

Meyer: "The heck"

Mill: "Thank you, my sweet"

Norling: "Really I don't like her"

Pitzman: "Nelly will pay"

Putzel: "Ten-four"

Rosaaen: "Girls, where's Caroline?"

Roudebush: "I just know I failed"

Ryan: "But, Mr. Sprague, I get A's in everything else"

Smith: "Did I ever tell you fellows about the time—"

Stamper: "Well, Dave, that's another 25c you owe me"

Sutherland: "Save your Confederate money, boys"

Sutter: "Ell's a bad influence"

Veatch: "Hi, Thcarroll"

Ward: "No josh"

Warren: "Remember the Alamo"

Weil: "I've got a reputation to uphold"

Wehmiller: "I may vomit"

Wells: "I'm bitter"

Wenzel: "This one's coeducational"

Wotka: "You dumb hair"

pulled to reveal the nativity design, Don was one of the angels!

Seventh grade wasn't all play and no work though. Who will ever forget Mr. Montgomery's math class in which we learned the measurements of a car tire, and the time required to run completely around the school grounds. Remember, too, Mr. Eiseman's class in which the girls who were interested in science formed the Eiseman fan club. That spring, Jeanie L. was elected to council as our class representative. This was to be the beginning of Jeanie's political career, highlighted by her hilarious campaign speeches.

Eighth grade (This is the year, girls!) We were no longer the youngest in the school, and did we lord it over the new seventh graders. Unfortunately, we had to lose Nancy Brueggeman when her family moved out of town, but we were glad to have Bill McCabe join us. Our desire for original parties began as we gave a box

supper—the first of the girls' fund raising schemes. Not only did the boys have to pay twenty-five cents for their suppers, but they even had to draw the names of their dinner partners out of a hat. That fall we gave a going away party for John Patton at Sutherland's house, and for the first time, the girls daringly wore lipstick and earrings.

In French and Latin classes we began rolling our r's and conjugating verbs. In the science department there was the "Obe", famous for his "down and up", "the doctor and the baker"; and in athletics we had three boys on the "C" football team and one on the "B" team! That spring vacation, Station and Sutt became the first Aspenites in our class.

Ninth grade. (This is the year, girls?) Much to the girls' delight we added four new boys to our class, Fred, Eric, Bill, and Townsend, but we had lost Jim Jones and Bill McCabe. This year the boys filled the ranks of the "C", "B" and *"A"* teams, but the girls were beginning to shine, too, and composed the backbone of most of the "B" varsities. On field day we placed second in honors, barely inched out of first place by the seniors. Our girls had won ninety odd points, as compared to John Cotsworth's twelve. Field day thus became the inglorious occasion on which the girls were tagged the "Amazons". Our freshman educational program included some fascinating (!) and informative (!!) ninth grade health classes which became the focal point of our scholastic interests.

Our first class party was another fund raising project—a dollar dance to which our parents were invited. It cost each parent a dollar to gain admission, but we would accept contributions to our class fund if they were forced upon us. Many's the father that made an involuntary contribution of five or ten dollars that night. When expecting to receive change, he only got a very sweet "thank you sir", and an ingratiating smile from our ticket sellers. It was a very entertaining and profitable evening. The next class party was held at Phil's home. The food was marvelous (37 dozen doughnuts), and the entertainment was spectacular. The highlight of the evening was Mary's rendition of Eartha Kitt's "I Wanna

of the C., Dubie, as secretary of the assembly, and Putt as the "gavel wielding dictator". Paul also had the duty of making after lunch announcements, e.g. "It is a nice day today . . .".

Spring had other effects upon our class. During spring vacation, quite a race took place down on the Gasconade, and then there was that fateful Thursday night that started out quite calmly but ended with quite a *BANG!!* ("I just came over to return your wagon.")

Twelfth grade (This *is* the year, girls!!) This is the big year. We felt quite sophisticated and experienced (what?) as we met our "little sisters" and "brothers", showed them through the hallowed halls of JBS and tried to believe that we were actually seniors. As seniors we felt quite a party urge, and such parties! At Wot's we assembled for a scavenger hunt—sorry, but a goldfish painted with shoe polish doesn't count as a black one. The progressive dinner was

great and left us in such an original mood that we all took off for a drive-in party. "King Kong", however, didn't provide enough amusement, so once again we all left—all that is except Mary and Dick who had a short rendezvous with the law. (You tell him, Mary.) From the drive-in we went to the cemetery—where else would you go for a grave-yard party?—and shared a party with some Washington U. Betas. What a weekend! Wenzel's hayride was still another spree where Gary and Mike discovered the sport of cow chasing. Our last football dance was followed by Bill's open house and another Derf party.

The senior hockey game, in which the platter-pusses battled the gophers to a victory apiece, related the hidden skill of the boys and particularly of a blonde, male member of our class who came dressed for the occasion in a tunic. Dinner,

party, and scavenger hunt at Debby's afterwards, ended our fall social season.

Suthie and the Hair were in charge of the Christmas pageant preparations; Patty sang "Mary's Lullaby" and when the curtains were parted, Caroline Pitzman and Grey Jones were revealed as Mary and Joseph. They weren't our only representatives in the tableau, though, for Chris, Fred, and Parry portrayed the kings and shepherds. Katy and Tommie R. were our narrators.

Senior Health proved to be an interesting course. Among other things we learned that a college weekend might cost as much as fifty dollars, and the girls learned that fifteen minutes in advance is ample time to ask a girl out as far as the boys are concerned. Smitty, however, couldn't get one of our visiting doctors to answer any of *his* questions.

Tradition of Participation—Continued

The senior girls' table was dissolved due to disorderly conduct, (Yah, Rah, Rah, Rah, QUIET! and COMPANY, ATTENTION!) but we continued to be disorderly in the senior room when we were "out to lunch". As the class began to amble off in pairs instead of gangs, the senior advisors were forced to ask us not to hold hands in the hall. Spring vacation time came again—Kay set a record for consecutive years at Aspen; Hair and John L. were relieved of thirty-five dollars outside of Tallahassee, Florida; the Gasconade and V. B. were invaded for the last time; and in Louisiana, Mo., Eddie learned how to play leap frog. The girls gave the leap year dance, using a design called "My Funny Valentine", followed by another fabulous party at Ann S's. The girls stayed for the night (the doors were locked at 1:30 to all else) and passed the night playing that wicked game. "Ash".

The last few weeks were feverish. It was time to hand over the positions we had held in activities, cheerleading, and student government to the underclassmen. The juniors gave a gorgeous Prom in our honor, and we had quite a time that evening in New Orleans and later at Dick's open house.

It's now June and graduation time. It's hard to picture ourselves anywhere except at Burroughs, but next fall we'll be scattered all over the country at many different types of colleges. Burroughs has given us invaluable experiences, and we have grown a great deal since that day in September, 1951, when we entered the school as shy, groping seventh graders. We only hope, as we leave JBS and go on to new experiences, that we have been able to give something to Burroughs in return.

"A" Varsity Hockey—Continued

following whistle ended the best game we had played all Fall, although the final score was 2-1, their favor. We want to thank Miss Hammond, our coach; and Linda Dubinsky, our captain, for their leadership during this wonderful hockey season. Next year, we'll KILLA VILLA!

"B" Varsity Basketball—Continued

only 56. This is an outstanding record, which can be directly attributed to the fine coaching that the team received from Miss Ruppert. But it must also be accredited to the squad's determination and enthusiasm which never once died down while they fought for victory.

The Prom—Continued

The small gym was decorated more fully than ever before. Specially constructed, semi-circular, white enameled steps led up to the stage which was set with white wrought iron garden furniture; both the stage and the steps were bordered with artificial flowers. The tables and chairs were covered with white covers, and the table centerpieces were hurricane lamps filled with flowers and evergreens. Each of the gyms was abundantly streamered.

After dancing until one o'clock we all went to Don Hobb's home for some wonderful food and singing; and at three o'clock, a very tired group of juniors left for home.

The designers and decoration chairmen for the dance were Ann Albers and Sue Warren. Joel Harris headed the construction committee, which worked hard to create many of the Prom's unusual effects. John Liebson and his committee took care of the extremely important lighting, and our class owes many thanks to Caroline Pitzman and Mary Marsh who headed the industrious and patient flower-making committee. Because of their energy we had thousands of pink, blue, and lavender crepe paper flowers to work with. Thanks to everyone who worked so hard for us. We're not exaggerating when we say this was the "best yet."

Best Wishes to the class of
